ACCIDENTAL SPILLS OF BLOOD OR BODY FLUIDS.

A supply of household bleach will be maintained at all precinct/psa/district commands, emergency service units, borough court section facilities, and other appropriate sites. Accidental spills of blood or body fluids on floors, cells, RMP's or on other surfaces, other than clothing, or fabric may be cleaned by applying a FRESHLY MIXED solution of one part household bleach with ten parts water. It is imperative that the preceding mixture be carefully followed. Household bleach is not to be mixed with any solution other than water and it must be freshly mixed for each use.

Members of the service (uniformed and civilian) are reminded that this mixture of bleach and water will cause damage if used to clean uniforms. Uniform items soiled with blood or body fluids can be effectively cleaned by routine laundering or dry cleaning procedures. Bleach should not be used to cleanse hands. In addition, bleach mixed with any substance other than water may cause a toxic gas. Therefore, disposal of bleach or bleach dilutions should be performed only in a sink (not a urinal or toilet since they sometimes contain chemical deodorizers). When preparing a bleach dilution, the container used for the diluted solution must be cleaned with water and free of any other solution.

To prevent injury/infection when handling or forwarding hypodermic needles/syringes to the Property Clerk, members of the service will place such items in a hypodermic needle/syringe container by utilizing a one-handed "scoop" technique which uses the needle itself to pick up the hypodermic needle/syringe container. (By using one hand to hold the hypodermic syringe while moving the hypodermic needle toward the hypodermic needle/syringe container, the member of the service is moving the needle away from himself/herself. Members should not hold the container and move their hand toward the needle). The container will be capped, if possible. However, if the syringe extends beyond the container, it will be secured with tape. UNDER NO CIRCUMSTANCES SHOULD A MEMBER OF THE SERVICE ATTEMPT TO REMOVE, DISLODGE, OR BEND A NEEDLE FROM A HYPODERMIC SYRINGE.

not provide a current Enlistment Contract/Oath of Office. The Military and Extended Leave Desk will remove the member from the active reserve roster. In order for military members to be granted military leave days the member must be on the active reserve roster.

*The member of the service may **NOT** be disciplined for failing to provide documentation regarding their military leave if said leave is for thirty days or less, or for failing to elect the type of leave to be used. However, if there is a legitimate question as to whether the member actually performed military service during the requested leave time, the Department may investigate and any substantiated allegation may subject the member to disciplinary action.*

As per the Uniformed Services Employment and Reemployment Rights Act (USERRA) of 1994, a member leaving to perform military drill or other military appearance must be granted enough time after leaving employment with the Department to organize the member's personal affairs, safely travel to the location of where the service is to be performed, and arrive fit to perform the military service. A member returning from military duty or other military appearance must be granted travel time from the location of the military service and have an eight hour rest period prior to being expected to return to duty with the Department. Military leave days may only be used for any and all periods of absence while engaged in the performance of ordered military duty, and while going to and returning from such duty. Official Military Orders and Certificates of Attendance received from a member's military Reserve or National Guard unit should be in the format illustrated in Appendices "A" and "B," or in a format that includes all of the information as listed on Appendices "A" and "B."

PROCEDURE NUMBER:	DATE EFFECTIVE:	LAST REVISION:	PAGE:

**ADDITIONAL
DATA
(continued)**

Once electing position limitation status, the uniformed member of the service may be reassigned to another command that performs non-enforcement duties (e.g., the Medical Division, etc.), or they may remain within their permanent command depending upon the needs of the Department. Pregnant uniformed members of the service who require additional pregnancy-related accommodations should contact the Pregnancy Medical District Surgeon or the Equal Employment Opportunity Division.

Recurring pregnancy related illness will be counted as one sick report, if the member provides proper documentation from their private physician and with the approval of the Pregnancy Medical District Surgeon. Repeated “undocumented” and “unapproved” sick leaves can lead to a “chronic sick” designation. The following conditions, if minor, will not automatically be valid reasons for pregnancy related absence:

- a. Nausea (morning sickness)*
- b. Lower back pain*
- c. Mild leg swelling*
- d. Fatigue*
- e. Other conditions limited to a few days duration.*

The above listed conditions are considered by the medical profession to be a normal part of pregnancy. If a member of the service reports sick for these minor conditions, the sick report will not be valid for consolidation as an absence related to pregnancy illness.

A pass MAY be granted, if the Pregnancy Medical District Surgeon determines that the issuance of such a pass would not adversely affect the member’s health. The pre-delivery pass becomes void after hospitalization.

Pregnancy alone does not preclude a uniformed member of the service from being promoted. Pregnant uniformed members of the service, as well as members on restricted duty/limited capacity who are assigned to “Investigative Track Units,” may appeal any deductions of investigative time earned while on position limitation status, if they were performing normal investigative duties during that time period (see A.G. 320-35, “Promotion to Third Grade Detective [Investigator]).”

*Pregnant uniformed members of the service, when appropriate, may wear business attire and display their **IDENTIFICATION CARD (PD416-091)** on their outermost garment. Proper business attire will conform with that worn to other official appearances, such as post-arraignment court appearances, professional career interview, etc.*

When a pregnant uniformed member of the service is required to appear in court, before a Grand Jury or other government agency, business attire or uniform may be worn.

Pregnant uniformed members of the service are not required to attend the Firearms and Tactics qualification cycles.

A uniformed member of the service who requests a child care leave of absence without pay for less than thirty days will be guided by P.G. 205-20, "Leave of Absence Without Pay Twenty-Nine (29) Days or Less."

Member will receive no pay during the leave of absence. Member will be required to make up this time lost before member will be considered eligible for retirement. This time on leave will not be credited for pension purposes. Any time in excess of six months on leave - no pay status - will be considered a break in continuous service, and thereby preclude vested interest retirement for five years after return to duty.

All Department property, except the Department Manual, must be surrendered on the member's last tour of duty, prior to commencement of leave of absence.

Extensions of a child care leave of absence without pay will NOT be granted. A member may terminate such leave prior to the scheduled expiration date upon advance notification to the Military and Extended Leave Desk.

While on a leave of absence, a uniformed member of the service will be required to appear for any hearings or trials in which the member is the arresting officer, witness, or respondent and will notify the Military and Extended Leave Desk prior to such appearance.

The Military and Extended Leave Desk will make salary payment computations upon documentation of mandatory appearance.

When hair samples are required, three hair samples will be collected, cut as close to the skin as possible. The samples should be collected from the same body area, preferably the head. The samples will be individually placed in separate laboratory supplied "Sample Acquisition Cards," and sealed by the collector in the presence of the test subject. These cards will be placed in separate plastic bags, sealed by the collector, and initialed and dated by the test subject. Two hair samples will be forwarded to the contracted laboratory for analysis. The third hair sample will be secured at the Medical Division for use in testing, should the test of the first two hair samples reveal positive results for illegal drugs/controlled substances. Appropriate chain of custody will be maintained at all times.

Except in unusual circumstances, samples will be taken at a facility operated by the Medical Division, or at another health care facility.

In the event that the member concerned is unable to provide adequate hair samples as required in this procedure, the Commanding Officer, Medical Division, or designee, will be contacted. The Commanding Officer, Medical Division, or designee, may authorize the collection of alternate specimen(s) to complete the drug screening test.

When urine samples are required, two urine samples will be collected, each in a separate vial. Prior to testing, the drug screening serial number assigned by the Medical Division and date of test will be affixed to each vial. The serial number will be logged separately with the member's name and maintained at the Medical Division. The member being tested and the witness will then initial the vial stickers. The vials will be sealed in the member's presence after the urine samples have been collected. Appropriate chain of custody will be maintained at all times.

Privacy and dignity will be protected. Hair and urine samples will be collected under maximum feasible privacy. Except in unusual circumstances, only one person of the same sex will be present with the test subject to observe the urine sample being provided. For chain of custody purposes, that same person will also collect the hair samples.

One or more scientifically accepted initial screening samples will be employed in analysis. A positive report will be made only after final confirmation testing has been conducted. Negative test samples will not be maintained; instead, they will be destroyed.

For chain of custody purposes, that same person will also collect the hair samples.

One or more scientifically accepted initial screening samples will be employed in analysis. A positive report will be made only after final confirmation testing has been conducted. Negative test samples will not be maintained; instead, they will be destroyed.

Positive test samples will be maintained by the analyzing laboratory in a secure area, and will remain confidential unless and until Department disciplinary Charges and Specifications are served. A member whose test is positive may, within sixty days of notification of such result, submit a written request to the Department Advocate's Office for further independent testing of the third sample by a laboratory certified by the State of New York Department of Health, and approved by the Medical Division to conduct the particular type of forensic drug testing (i.e., urine or hair) being requested. All additional testing expenses, including chain of custody, will be paid by the affected member of the service. The results of the additional test will be forwarded by the independent laboratory to the Medical Division. The Medical Division will then forward the results to the Department Advocate's Office. The affected member/counsel will be notified of the results by the Department Advocate's Office.

Positive test results, which indicate illegal drug/controlled substance use, will result in Department Charges and Specifications, and suspension from duty.

Uniformed members of the service screened under this procedure will continue to be subject to drug screening pursuant to the Department's random drug screening procedures.

EMPLOYMENT DISCRIMINATION		
DATE EFFECTIVE: 05/27/21	LAST REVISION: I.O. 37	PAGE: 1 of 10

PURPOSE

To process and resolve all complaints of employment discrimination and/or related retaliation made against Department employees and applicants.

SCOPE

Employees and applicants for employment who have a complaint of employment discrimination, including related retaliation, or have any questions regarding these issues, are urged to contact the Equal Employment Opportunity Division (EEO). It is the goal of this Department that the effective use of this procedure will result in an equitable resolution of the complaint and prevent any discriminatory practice from harming other employees or applicants. Uniformed and civilian supervisors and managers are directed to make all employment decisions in accordance with the Department's Equal Employment Opportunity (EEO) policy. Uniformed and civilian supervisors and managers, and EEO Liaisons *must* report allegations or complaints of employment discrimination and retaliation, and any observations of conduct of a discriminatory or retaliatory nature.

Federal, State and/or City laws and/or Department policy prohibit employment discrimination based on actual or perceived status of a person's race, color, national origin, alienage or citizenship status, religion or creed, gender (including gender identity - which refers to a person's actual or perceived sex, and includes self-image, appearance, behavior or expression, whether or not different from that traditionally associated with the legal sex assigned to the person at birth), pregnancy and pregnancy related conditions, sexual and reproductive health decisions (e.g., fertility-related medical procedures, sexually transmitted disease prevention, testing and treatment, family planning services and counseling, such as birth control drugs and supplies, emergency contraception, sterilization procedures, pregnancy testing and abortion), disability, age, military status and uniformed service, unemployment status, consumer credit history (for certain titles), salary history, familial status (parent or guardian of a person under 18 years of age who is living with them), caregiver status (person who provides ongoing care for a minor child or relative with a disability), prior record of arrest or conviction (under some circumstances), marital status, partnership status, genetic information or predisposing genetic characteristic, sexual orientation, or status as a victim of domestic violence, stalking or sexual offenses and as follows:

- a. Discriminatory treatment regarding any term, condition or privilege of employment, including hiring, assignments, working conditions, salary and benefits, evaluations, promotions, training, transfers, discipline and termination
- b. Sexual harassment against New York City Police Department employees, applicants and any non-employee who is a contractor, subcontractor, vendor, consultant, freelancer or other person providing services pursuant to a contract in the workplace or who is an employee of such contractor, subcontractor, vendor, consultant, freelancer or other person providing services pursuant to a contract in the workplace

SCOPE (continued)

- c. Policy that has a disproportionate impact on a group specifically protected by law, unless the policy is justified by business necessity
- d. Failure to make a reasonable accommodation for or failure to timely engage in cooperative dialogue with individuals with disabilities, religious observances/practices, those who are pregnant, recovering from childbirth or a related medical condition, and victims of domestic violence, stalking and/or sexual offenses. An accommodation may not be required if such accommodation would impose undue hardship on the Department, but a cooperative dialogue must still occur
- e. Discriminatory harassment, intimidation, ridicule and insults, including, but not limited to, using discourteous, disparaging or disrespectful remarks
- f. Retaliation and/or harassment against an employee, applicant and any non-employee who is a contractor, subcontractor, vendor, consultant, freelancer or other person providing services pursuant to a contract in the workplace or an employee of the same, for filing a discrimination complaint, participating in an investigation of a complaint, commencing a civil action based on unlawful discrimination or requesting a reasonable accommodation.

All forms of employment discrimination, including retaliation, are **PROHIBITED** both in the actual workplace and in any location that can be reasonably regarded as an extension of the workplace, such as an off-site Department sanctioned social function.

Employees and applicants should file a complaint with the EEOD at the earliest opportunity if the employee or applicant believes that a uniformed or civilian supervisor, manager or any other employee has engaged in any of the conduct described above.

NOTE

A complaint made in good faith will not be considered a false accusation. Knowingly making a false accusation of discrimination or knowingly providing false information during the course of an investigation of a complaint may be grounds for discipline.

At least one or more trained EEO Liaisons must be designated in every command throughout the Department to provide assistance to complainants, witnesses and others regarding any EEO matter. EEO Liaisons are non-supervisory members of the service who serve voluntarily with the recommendation of their Commanding Officer and approval of the DCEI. For further information about the EEO Liaison Network, contact the Program Coordinator at (646) 610-5330.

- c. Requests involving members assigned to precinct detective squads will be processed through patrol precincts.

- f. Assistance in the preparation of the **DEPARTMENTAL RECOGNITION REQUEST** form may be obtained by contacting the Employee Management Division's Departmental Recognition Unit.

LEGAL CONSIDERATIONS

All information entered on the **DEPARTMENTAL RECOGNITION REQUEST** is considered "Rosario" material and should be a factual statement of the member of service's role in a particular matter. There should be no descriptive embellishment of the facts. In addition, all written statements taken from witnesses should be considered "Rosario" material. Since the defense attorney in a criminal case has the right to examine a witness's prior statement, if a witness testifies, the appropriate District Attorney's office must be advised of the existence of requests for Departmental recognition as well as other witness statements in a pending case. Due to "Rosario" material potential, every request must include the legal name of each member of the service; any initials, nicknames, etc. of a member of the service are not permitted on the **DEPARTMENTAL RECOGNITION REQUEST**.

DEPARTMENT POLICY

Uniformed members of the service involved in undercover or confidential operations will be guided by the direction of their Bureau Chief/Counterpart when submitting requests for Departmental recognition.

Departmental Recognition Committees are composed of five uniformed members of the service: two ranking officers (one of whom will be designated chairperson) and three non-supervisory officers (which may include a member of the precinct detective squad), will be established by each precinct and patrol borough command. Similarly, commands which report to the Housing Bureau, Detective Bureau (not including precinct detective squads), Transit Bureau, Chief of Community Affairs, Chief of Transportation, and Chief of Special Operations, will also establish Departmental Recognition Committees utilizing the same group composition. Bureau Recognition Committees will be established in each bureau command for these more complex or unusual cases.

*The highest ranking officer who is responsible for indicating approval/disapproval of **REQUEST** MUST be in a rank of at least one level higher than any of the recipients of the medal and MUST NOT be one of the recipients of the requesting medal. Each additional endorsement (when applicable) MUST be approved/disapproved by the next higher rank based on the previous endorsement.*

*When a **REQUEST** is forwarded to a bureau chief/counterpart for evaluation based on expertise, the bureau chief/counterpart will make the final determination on Excellent Police Duty, Meritorious Police Duty and Commendations, except in cases where integrity forms the basis of the **REQUEST**. Integrity requests, forwarded to a bureau chief/counterpart for expert evaluation, will be processed in accordance with steps "20" and "21." In cases where Exceptional Merit or Honorable Mention will be recommended, bureau chiefs will comply with steps "23," "24," and "25."*

*Precinct commanding officers/command counterparts may recommend either a Meritorious Police Duty or a Commendation for acts of integrity. Regardless of the level of award recommended, ALL **DEPARTMENTAL RECOGNITION REQUESTS**, which are based on acts of integrity, must be forwarded to the appropriate Borough Recognition Committee, or similar Recognition Committee established in bureaus/divisions whose commands are exempt from processing requests through patrol precincts. These **REQUESTS** must be endorsed by the concerned borough commander/counterpart, and submitted to the Integrity Review Board for final determination.*

*All approved **DEPARTMENTAL RECOGNITION REQUESTS** being forwarded to the Honor Committee or Integrity Review Board will be accompanied by a **Typed Letterhead**, in duplicate. The duplicate copy will be returned to the forwarding command and filed as a receipt.*

ADDITIONAL DATA (continued)

- (3) *Approved in writing from the Chief of Patrol, (Commanding Officer, Movie/Television Unit), IF employment involves working as a technical advisor/consultant for motion picture or television productions.*
- (4) *Performed not exceeding twenty hours each week when a uniformed member on approved Family Medical Leave engages in off duty employment.*
- b. *A uniformed member of the service may engage in off duty employment without prior approval:*
 - (1) *During the period of suspension without pay, OR*
 - (2) *While on continuous vacation and/or terminal leave immediately after filing an application for retirement. During a period of suspension without pay or vacation/terminal leave pending retirement, the member concerned remains officially a member of the service and, as such, may NOT engage in any type of employment or activity which, by existing law, is prohibited to police officers, or which may constitute a conflict of interest or create the appearance thereof (see GENERAL PROHIBITIONS).*
- c. *Excessive sick leave or other evidence indicating off duty employment impairs ability to perform assigned police duties is cause for revocation of approval to engage in off duty employment.*
- d. *A request for permission to work while off duty may be disapproved even though it does not specifically fall within the "Prohibitions" section or violate the "Guidelines" sections contained herein.*
- e. *A uniformed member of the service seeking part time employment in another City agency, or in ANY other governmental jurisdiction or agency MUST prepare **Certification of Compatibility for Dual Employment** (a **Certification of Compatibility for Dual Employment (DP1021A)** for City Mayoral Agencies or **Certification of Compatibility for Dual Employment (DP1021B)** for all other governmental agencies or jurisdictions). These forms are available at the Human Resources Division, Employee Resources Section, who will process forms upon completion.*
- f. *Not permitted if employed by any other municipal entity other than the City of New York.*
- g. *Uniformed members of the service engaging in or seeking off duty employment are reminded that the law prohibits certain types of employment. Some members while engaging in bona-fide occupations, may unknowingly, in the normal pursuit of their particular off duty occupation, be violating one of these statutes. Members may consult with Legal Bureau.*
- h. *Section 2604(a)(1) of the New York City Charter prohibits public servants from taking a position in a firm which the public servant knows, or should know, is engaged in business dealings with the City. "Position" is broadly defined and includes an officer, director, manager, employee, trustee, attorney, agent, broker or consultant to the firm. The definition of "firm" includes an individual seeking business on his/her own behalf, and as a sole proprietor. "Business dealings" are defined as any transactions involving the sale, purchase, rental, or disposition of any goods, services, or property; any license, permit, grant or benefit; and any performance of or litigation with respect to any of the above. It is quite possible that a member not completely familiar with these provisions could find himself/herself in violation of the law. For example, if a member has been approved as a vending machine salesperson or dealer, he/she would be violating this statute if he/she were to take a position with a firm or enter into a contractual agreement with any City agency or representative thereof, to place a vending machine in any building or upon property owned or leased by the City of New York or any of its agencies.*

**ADDITIONAL
DATA
(continued)**

- i. *The Charter prohibits members from engaging in any business, transaction or private employment which is in conflict with the proper discharge of their official duties; using, or attempting to use their position to obtain any financial gain, or other benefit, including employment for themselves or any person “associated” with them (“associated” is defined to include a spouse, domestic partner, child, parent or sibling and a person with whom a member has a business or financial relationship); and disclosing any confidential information which is obtained as a result of a member’s official duties or using such confidential information for any financial gain or other benefit.*
- j. *A uniformed member of the service is prohibited from holding any position or engaging in business dealings which involve the manufacture, sale or recommendation of any alcoholic beverage. However, employment is permitted in a premises licensed to sell beer at retail for off-premises consumption (supermarkets and grocery stores). Also see A.G. 304-06, “Prohibited Conduct.”*
- k. *A member may not accept any valuable gift from any person or firm which the member knows or should know, has or intends to have business dealings with the City.*
- l. *Uniformed members of the service may write fiction or non-fiction books and articles on their own time and receive compensation provided that the restrictions contained in P.G. 212-76, “Information Concerning Official Business of Department” are adhered to. **APPLICATION/NOTIFICATION** should be submitted in this regard to the extent that members of the service are being paid for their writing.*
- m. *A member of the service may be employed as technical or background advisor/consultants by television and film production companies. The consulting position may relate either to a particular incident (e.g., a homicide, robbery, rescue effort, etc.) or to a specialized field of expertise (e.g., arson, explosives, aviation, etc.). Again, the restrictions contained in P.G. 212-77 “Release Of Information To News Media” and 212-76 “Information Concerning Official Business of Department” MUST be adhered to, **APPLICATION/NOTIFICATION** must also be submitted for these positions. In addition, prior to entering into any contractual relationship of this nature, members of the service are advised to seek private legal counsel. The sale of exclusive proprietary rights, based on the involvement of an individual in a particular incident, is strictly prohibited. For example, a member of the service assigned to the Aviation Unit can be retained as a consultant or advisor on general technical matters or for background on a particular incident; he or she cannot sell exclusive “rights” to a production company for the story of the officer’s role in that incident.*
 - (1) *A written approval from the Chief of Patrol, (Commanding Officer, Movie/Television Unit) is required, IF employment involves working as a technical advisor for motion picture or television productions.*
- n. *Many of the off duty employment prohibitions and guidelines involve conflict of interest related issues as addressed in Chapter 68 of the New York City Charter. Each member of the service should be familiar with those provisions. In certain limited circumstances, a member of the service may hold an otherwise prohibited position with written approval of the Police Commissioner, and a determination by the Conflicts of Interest Board that the position would not conflict with the purposes and interests of the City. Conflict of interest questions or questions regarding waivers may be directed to the Deputy Commissioner, Legal Matters.*

- private employers and ordinarily should be the complainant and not the arresting officer for off duty situations which arise (for example: trespass and burglary situations) unless the exigencies of the circumstance require that they act in an arresting capacity.*
- (3) *Because the City will not ordinarily indemnify uniformed members of the service against claims brought by individuals for action taken in connection with off duty employment, it is recommended that uniformed members of the service ascertain whether their private employer maintains liability insurance covering the off duty employment and affords legal representation and indemnification for acts or omissions occurring during off duty employment and in furtherance of employer's interests.*

 - (5) *All court time, both arraignment and follow-up appearances directly related to any duties and responsibilities in the off duty employment may not be performed on Police Department time nor may overtime compensation be received for such time from the City of New York. Accordingly, **OVERTIME REPORTS** should not be submitted in connection therewith. Further, it is the uniformed member's responsibility to see that the off duty employer/client has Workers' Compensation on coverage for guards to cover any injury or disability received in his employment. It is also understood that the City has a claim on any monies paid by Workers' Compensation that would duplicate paid sick leave by the City.*
 - (6) ***APPLICATION/NOTIFICATION** must be submitted to the Employee Resources Section for each employer/company and include all locations of assignment (if additional space is needed attach a separate sheet). For each new assignment, even if for the same employer, a new request for approval must be submitted, with the employer's name, and new location of person or premises to be protected.*

COUNSELING SERVICES UNIT			
DATE ISSUED: 05/06/19	DATE EFFECTIVE: 05/06/19	REVISION NUMBER:	PAGE: 1 of 2

PURPOSE

To ensure that all members of the service are informed about the Counseling Services Unit.

DEPARTMENT COUNSELING GUIDELINES

SCOPE

The primary function of the Counseling Services Unit is to assist in the recovery and return to full and productive service those members of the service who are experiencing difficulties with alcohol, prescription medication, gambling or finances. The Department's objective, at all levels, is the early detection and referral of its personnel for evaluation and treatment, either as a self-referral or through a direct supervisory referral. The Counseling Services Unit is not a disciplinary unit, nor a sanctuary for misconduct. To afford confidentiality to members of the service who utilize this program, the Counseling Services Unit is located in a non-Department facility with business hours Monday through Friday, between 0700-1800 hours. During non-business hours the Counseling Services Unit may be contacted through the Sick Desk Supervisor.

Alcoholism is a primary, chronic disease with genetic, psychosocial and environmental factors influencing its development and manifestations. Untreated, the disease is often progressive and fatal. It is characterized by continuous or periodic impaired control over drinking, preoccupation with the drug alcohol, use of alcohol despite adverse consequences, and distortions in thinking, most notably denial. Alcoholism is a fully treatable disease, especially when intervention occurs in the early stages. Self-referral, before the condition results in personal tragedy or misconduct, is ideal. However, it must be emphasized that denial and cover-up are inherent components of this disease. Therefore, supervisors are a vital link to the process of early detection, referral, treatment and recovery. A supervisor may contact the Counseling Services Unit and request that a member be evaluated.

Federal law and regulations governing confidentiality prohibit disclosure of any information or record pertaining to substance abuse treatment. The Counseling Services Unit may not disclose any information that identifies a member as a participant except under the following circumstances:

- a. Written consent from the member concerned
- b. Valid subpoena and U.S. District Court Order
- c. Suspected child abuse
- d. Danger to self or another

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:

SCOPE

(continued)

Records maintained by the Counseling Services Unit are absolutely confidential and not duplicated or forwarded anywhere within the Department. In non-disciplinary cases, when a supervisor officially refers a member, no report will be prepared and no record of the referral will be noted in the member's personnel folder. Supervisors making referrals will only be advised as to the level of cooperation and only on a need to know basis.

Members participating in this program will not jeopardize their promotional opportunities. In addition, their current assignments will not ordinarily be changed because of their participation in this program unless, due to the nature of the assignment, a change is deemed to be in the best interests of all parties concerned. However, participation in this program will not exempt a member of the service from disciplinary action for specific acts of misconduct and the consequences of such disciplinary action.

The services of the Counseling Services Unit are NOT available to members of the service for illegal drug use. All members of the service are mandated by provisions of "Drug Screening Tests for Cause for Uniformed and Civilian Members of the Service," (P.G. 205-30) to immediately notify the Internal Affairs Bureau Command Center when illegal drug/controlled substance usage is suspected.

Prior to final adjudication of a disciplinary matter, in all misconduct cases in which the use of alcohol and/or domestic violence is indicated, a conferral with the Employee Assistance Unit must be made, and an assessment and/or referral by the Counseling Services Unit must be conducted. The Department Advocate's Office will ensure that these steps are taken.

The entry will indicate the date, time, rank, name and tax registry number of the member making the request, and the serial numbers of all firearms being safeguarded. An entry concerning the justification for this type of request is not required. A notification in the margin of the original entry will also be made indicating the date and time the firearms were returned to the member. The member will continue to perform full duty according to the normal duty chart or work schedule. ADDITIONAL DATA

PERFORMANCE EVALUATIONS and guidebooks for the ranks of police officer through captain, and civilian sub-managerial employees may be found by accessing the Online Evaluation System via the Department Intranet. Commanding officers will ensure additional copies of guidebooks are made available in the command reference library.

Probationary members of the service do not receive annual **PERFORMANCE EVALUATIONS**. An annual **PERFORMANCE EVALUATION** will be prepared during the next rating period after a member attains permanent rank.

Uniformed members of the service who are in rank on probation (e.g., entry-level probationary police officers, probationary sergeants, etc.) and civilian members of the service who have not completed their probationary period or have served less than two years in a provisional status are not permitted to appeal their **PERFORMANCE EVALUATION**.

All newly promoted sergeants, lieutenants and captains are on probation in rank for a period of twelve months unless cause exists to extend such period for an additional six months. Extension of probation beyond twelve months may be authorized on a case-by-case basis.

An extension of probation for newly promoted sergeants, lieutenants, and captains may be requested after six months. This request must be made by the probationary member's commanding officer and accompanied by the fourth month **PERFORMANCE EVALUATION**. All requests are to be forwarded through channels to the Deputy Commissioner, Risk Management.

Members of the service are reminded that appraisal of subordinates' performance is a continuous process. The use of an annual evaluation system **DOES NOT** relieve supervisors of their responsibility to monitor and document subordinates' performance throughout the rating period. The "Evaluations Due" web page provides a roster of annual and probationary **PERFORMANCE EVALUATIONS** that are due for specific personnel. Certain commands are required to provide additional **PERFORMANCE EVALUATIONS** (i.e., investigative track commands and requests due to monitoring). The Online Evaluation System does not preclude commands from providing additional **PERFORMANCE EVALUATIONS** when necessary.

When preparing a **PERFORMANCE EVALUATION**, the rater will take into account the ratee's performance concerning equal employment opportunity (EEO) issues. EEO factors having a bearing on the rating in that category will include, but not be limited to, whether the member has engaged in conduct that violates provisions of the Department Manual, Title VII, other applicable equal employment opportunity laws, or the Department's equal employment opportunity policy.

In addition, raters will ensure that recognition is given to members who utilize their language proficiency for translation and interpretation in the performance of their regular duties, or as part of the volunteer language initiative. The use of this skill shall be afforded the same recognition as any other special skill needed by the Department. Any experience gained while serving as a translator/interpreter in criminal investigations will be included in the Overall Rater's Comments of the **PERFORMANCE EVALUATION**. Commanding officers will ensure that evaluations of volunteer members are not negatively affected by their assignment to translation/interpretation duties. These tasks shall be evaluated as a proportionate part of their assigned duties.

ADDITIONAL DATA (continued)

A uniformed or civilian member of the service who is absent for either the majority or the entirety of a rating period due to military service is still entitled to receive a **PERFORMANCE EVALUATION**. Pursuant to New York State Military Law, to compute the rating for such a member, raters are to take the average of the three **PERFORMANCE EVALUATIONS** that the member received prior to his/her absence for military duty. However, the credited rating must not be less than satisfactory (3.0) or less than the rating that the member received for the period immediately prior to his/her absence for military service. In the "Overall Rater's Comments:" caption the rater will note the length of time the member was on military duty during the evaluation period and that the evaluation is being prepared pursuant to New York State Military Law. Additional questions concerning evaluations of members of the service absent from their positions due to military service may be directed to either the Performance Analysis Section or the Legal Bureau.

When a sub-managerial civilian member is transferred, the commanding officer/supervisory head will direct that the **PERFORMANCE EVALUATION** is completed online and the form is forwarded to the Employee Resources Section and to the new command. The ratee will be given a copy of the form. The immediate supervisor in the new command will prepare a new Task and Standards of the ratee's new assignment via the Online Evaluation System.

If excessive absence, tardiness or poor performance is cited as a reason(s) for a **BELOW STANDARDS** or **WELL BELOW STANDARDS** rating, include a copy of the appropriate form including: **ABSENCE AND TARDINESS RECORD (PD433-145)**, **CIVILIAN RECORD OF SUPERVISORY CONFERENCES (SUB-MANAGERIAL) (PD433-1411)**, **CIVILIAN LATENESS/WARNING NOTIFICATION (PD449-122)**, or **CIVILIAN UNSATISFACTORY PERFORMANCE WARNING (PD439-012)**, when appropriate.

DATE ISSUED: 06/01/20	DATE EFFECTIVE: 06/01/20	REVISION NUMBER:	PAGE: 1 of 2

PURPOSE To insure proper evaluation of probationary police officers.

PROCEDURE Before a probationary police officer is permanently assigned to a command:

COMMANDING OFFICER, POLICE ACADEMY

1. Ensure preparation of two copies of **RECRUIT EVALUATION (PD439-1412)**, prior to permanent assignment.
2. Forward original to permanent command.
3. Forward duplicate to Human Resources Division upon assignment to permanent command.

COMMANDING OFFICER/ SUPERVISOR CONCERNED (PERMANENT COMMAND)

4. Evaluate continuously, the conduct and performance of probationary police officers.
5. Evaluate probationary police officers via the Online Evaluation System available on the Department's Intranet, three times during their probationary period: the tenth, sixteenth and twenty-second month.

NOTE *The first sixteen months of a probationary police officer's field assignment is a critical phase in the training and maturation of a new police officer. Supervisors must conscientiously evaluate probationary police officers to ensure that members who are unable to satisfactorily perform their duties are identified.*

*In addition to evaluation reports, commanding officers will submit the following reports during the probationary period as they occur, on **Typed Letterhead**.*

- a. *Request for Charges and Specifications to First Deputy Commissioner.*
- b. *Report of any matter that may bear upon the fitness of probationer to Chief of Personnel in a sealed envelope.*

COMMANDING OFFICER (PERMANENT COMMAND)

6. Ensure that twenty-second month evaluation specifically recommends "Permanent Appointment," "Extension of Probation" or "Termination of Services," in reviewer's comments area.
 - a. Notify the Performance Analysis Section whenever a probationary police officer receives an overall evaluation less than 3.0.
7. Forward completed **PERFORMANCE EVALUATIONS** via Department Intranet by finalizing the **PERFORMANCE EVALUATION** online.
 - a. Ensure a signed copy of the **PERFORMANCE EVALUATION** is printed out and forwarded to Personnel Services Unit.

NOTE *When recommending "Termination of Services" or "Extension of Probation" a detailed report to Commanding Officer, Performance Analysis Section, including all pertinent facts related to the probationary police officer's performance, will be forwarded with a copy of the **PERFORMANCE EVALUATION**. If warranted, these recommendations may also be forwarded at any time during the probationary period, prior to the twenty-second month anniversary.*

ADDITIONAL DATA

*The probationary period should be utilized to closely scrutinize the member's performance to assess his or her abilities as a police officer. The entry level probationary period may be extended an additional six months, if necessary, to allow the Department more time to further review and evaluate a probationer's suitability to remain a police officer. When a probationary officer is transferred to a command, his or her performance from the previous command must be reviewed. Interim evaluations should be prepared when it is apparent there is a problem with an officer's performance. The rater will discuss the probationary evaluation with the ratee. This will make the probationary officer aware of his or her performance and also place those probationary officers with a "below standards" evaluation on notice that their performance must show an improvement. When a commanding officer becomes aware that a probationary officer's performance may be below standards, supervisors should be instructed to carefully document the member's performance by utilizing the **SUPERVISOR FEEDBACK FORM**, command discipline, and when appropriate, charges and specifications. The probationer will be notified of the observed performance deficiencies and instructed on proper Department procedure. Written documentation that the probationer was instructed and counseled will be maintained in the officer's personnel folder.*

EVALUATION OF POLICE OFFICERS AND DETECTIVES ASSIGNED TO INVESTIGATIVE DUTIES

DATE ISSUED:

DATE EFFECTIVE:

08/01/13

REVISION NUMBER:

PAGE:

1 of 2

PURPOSE

To ensure that each uniformed member is evaluated each year while assigned to investigative duties.

PROCEDURE

Prior to the scheduled evaluation of uniformed members of the service:

RATER

1. Evaluate police officers assigned to investigative (Detective Track) duties two times during their initial fifteen months in such assignment, (eighth, and fifteenth month), using form **PERFORMANCE EVALUATION - DETECTIVES AND POLICE OFFICERS ASSIGNED TO DETECTIVE TRACK COMMANDS (Online Evaluation System)**.

NOTE

The first fifteen months of an investigative assignment is a critical phase in the training and development of a new investigator. Supervisors must conscientiously evaluate police officers/investigators to ensure that members who are not suited for investigative work are not retained in such assignments. If there is a change in performance after the fifteenth month, the member's supervisor MUST immediately submit an interim evaluation.

2. Evaluate police officers/investigators annually after the initial fifteen months.
3. Evaluate detectives/investigators annually, using form **PERFORMANCE EVALUATION - DETECTIVES AND POLICE OFFICERS ASSIGNED TO DETECTIVE TRACK COMMANDS (Online Evaluation System)**.

REVIEWER

4. Comment on the ratee's performance and potential for continuation in an investigative assignment and eventual promotion to detective for all police officers/investigators.
5. Review and sign **EVALUATION** form.

NOTE

When an investigator is designated "Chronic Absent - Category B," it is presumed that the investigator is performing in a substandard manner. If the performance of the "Category B" investigator is rated higher than "Low", the rater must demonstrate how the performance was achieved in spite of the absence record of the investigator. In all cases, the rater must state if the ratee should remain in the investigative assignment. If ratee is a detective, determine if ratee should retain such designation or have such designation revoked and be reassigned.

RATER

6. Audit the investigative time accrued by members assigned to command.
7. Ensure that eighth and fifteenth month evaluations are prepared and promptly forwarded for police officers/investigators assigned to the command.
8. Ensure the **PERFORMANCE EVALUATION** has been finalized.

ADDITIONAL DATA

Members of the service are reminded that appraisal of subordinates' performance is a continuous process. The use of the Performance Evaluation System DOES NOT relieve supervisors of their responsibility to monitor and document subordinates' performance throughout the rating period.

*When preparing a **PERFORMANCE EVALUATION**, the rater will take into account the ratee's performance concerning substantiated equal employment opportunity (EEO) violations. EEO factors having a bearing on the rating in that category will include, but not be limited to, whether the member has engaged in conduct that violates provisions of the Department Manual, Title VII, other applicable equal employment opportunity laws, or the Department's equal employment opportunity policy.*

*In addition, raters will ensure that recognition is given to members who utilize their language proficiency for translation and interpretation in the performance of their regular duties, or as part of the Language Initiative Program. The use of this skill shall be afforded the same recognition as any other special skill needed by the Department. Any experience gained while serving as a translator/interpreter in criminal investigations will be included in the comments section of the **PERFORMANCE EVALUATION**.*

Commanding officers will ensure that evaluations of volunteer members are not negatively affected by their assignment to translation/interpretation duties. These tasks shall be evaluated as a proportionate part of their assigned duties.

*A uniformed member of the service who is absent for either the majority or the entirety of a rating period due to military service is still entitled to receive a **PERFORMANCE EVALUATION**. Pursuant to New York State Military Law, to compute the rating for such a member, raters are to take the average of the three **PERFORMANCE EVALUATIONS** that the member received prior to his/her absence for military duty. However, the credited rating must not be less than meets standards (68-76) or less than the rating that the member received for the period immediately prior to his/her absence for military service. In the comments section the rater will note the length of time the member was on military duty during the evaluation period and that the evaluation is being prepared pursuant to New York State Military Law. Additional questions concerning evaluations of members of the service absent from their positions due to military service may be directed to either the Performance Analysis Section or the Legal Bureau.*

*When a **PERFORMANCE EVALUATION** has been prepared in error, a report on **Typed Letterhead** will be submitted to the Performance Analysis Section requesting that the **PERFORMANCE EVALUATION** be voided/deleted from the system.*

PROCEDURE

During the evaluation period:

By noting community interactions and engagements, members are afforded the ability to showcase their efforts towards furthering the Department's commitment to neighborhood policing.

The **SUPERVISOR FEEDBACK FORM** can be accessed on a supervisor's Department mobile phone through the "Craft" application and will allow the supervisor to highlight commendable actions by a uniformed member of the service (e.g., supervisor observes or becomes aware of exceptional community interaction, uniformed member of the service makes an arrest that closes a precinct pattern, etc.). The **FORM** will also allow supervisors to note areas that may need improvement and indicate what actions were taken to address the deficiency. In addition, minor violations of Department regulations committed by uniformed members of the service can be documented using the **FORM**. The **FORM** can also be completed by supervisors for uniformed members outside of their command (e.g., UMOS assigned to supervisors on details, etc.).

Commanding officers will be responsible for determining performance standards within their respective commands and resolving all issues within their command relative to the Monthly Performance Review. Precinct, PSA and transit district commanding officers will also review and direct the conditions to be addressed consistent with applicable crime control strategies and areas of community concern.

DATE ISSUED:

06/01/20

DATE EFFECTIVE:

06/01/20

REVISION NUMBER:

PAGE:

1 of 2

PURPOSE

To provide one-time Law Enforcement Officers Safety Act (LEOSA) qualification free of charge to qualified uniformed members of the service.

SCOPE

LEOSA exempts active and retired law enforcement officers from local and state prohibitions on the carrying of concealed firearms. The qualification course must be performed at a firearms range and is valid for a one-year period from the date of qualification.

DEFINITION

LEOSA CERTIFICATION CARD – A wallet-sized certification card issued by the Department containing the retired member's rank, name, tax number, date of retirement and date of expiration. The card also contains the Operations Unit's telephone number for verification purposes. To be valid, a LEOSA Certification Card **MUST** be accompanied by a valid **IDENTIFICATION CARD (PD416-091)** marked "Retired."

PROCEDURE

When a uniformed member of service in good standing is retiring from the Department with at least twenty years of service or due to a line of duty injury which does not preclude them from carrying a firearm:

UNIFORMED MEMBER OF THE SERVICE

1. Attend firearms qualification course at a Department range within twelve months of anticipated date of retirement.
2. Inform firearms instructor of intention to retire and desire to obtain LEOSA qualification.

FIREARMS AND TACTICS SECTION SUPERVISOR

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:
205-64	06/01/20		2 of 2

ADDITIONAL DATA

The LEOSA Certification Card will expire twelve months from the date of the last range qualification. A member is not able to obtain a LEOSA Certification Card from the Department unless such member has qualified during a regular Department range cycle within the past twelve months. The LEOSA qualification is solely for a retiring member's service and off-duty firearms.

If a retired member becomes ineligible due to a change in medical and/or psychological condition, the LEOSA Certification Card is invalid and must be returned to the Department.

This is a one-time benefit provided in appreciation for uniformed members of the service retiring in good standing. Due to constraints on Department facilities and staffing, LEOSA requalification cannot be provided by the Department and will be at the retired member's own expense at a private range. Members are encouraged to review the Law Enforcement Officers Safety Act to better understand all of the laws requirements.

DATE EFFECTIVE: 06/10/21	REVISION NUMBER: I.O 47	PAGE: 1 of 3

PURPOSE

To provide guidance to members of the service who decide to notify the Department of their transgender or gender non-conforming transition, or status.

SCOPE

A member of the service's transition should be treated with as much sensitivity and confidentiality as any member of the service who is going through a significant life experience. Transgender members have the right to discuss their gender identity or expression openly, or to keep that information private. Transgender members decide when, with whom, and how much to share their private information. This policy will guide transgender members that choose to share information about their own gender transition.

DEFINITIONS

GENDER IDENTITY - An individual's internal sense of gender which may be the same or different from their assigned sex at birth. Gender identity is distinct from sexual orientation.

GENDER EXPRESSION - An individual's characteristics and behaviors (e.g., appearance, dress, mannerisms, speech patterns, social interactions, etc.) that may be perceived as masculine or feminine.

TRANSGENDER - An individual, whose gender identity or expression is not typically associated with their assigned sex at birth.

GENDER NON-CONFORMING - An individual, who has or is perceived to have, gender characteristics and/or behaviors that do not conform to traditional or societal expectations.

TRANSITION - The process in which an individual changes their gender from their assigned sex at birth to their gender identity. The duration of a transition may differ for each individual. A transition may include, but is not limited to:

- a. Informing family, friends and co-workers of gender identity

ADDITIONAL DATA

Neither the Borough Commander or Borough Executive Officer may select the same vacation pick, unless there is another Borough Executive Officer assigned within the Borough and available to perform duty.

In Patrol Borough and Bureau commands, Inspectors and Deputy Inspectors will be grouped together for the purpose of vacation selection. Vacation selection order will be determined by seniority in rank with Inspectors picking first followed by Deputy Inspectors.

Precinct/Unit Operations Coordinators will select vacation separately from other lieutenants assigned to the command and may not be on vacation at the same time as the Commanding Officer.

Precinct Integrity Control Officers in the rank of either lieutenant or sergeant are to select vacation separately from other lieutenants or sergeants assigned to the command. If there are two ranking officers performing ICO duties, they may not be on vacation at the same time.

Bureau/Division/Unit Commanders, other than Patrol Services Bureau, Patrol Borough commands may prepare an alternate vacation selection plan, consistent with the needs of their respective Bureau/Division/Unit. The twelve percent limit on vacations should be adhered to when possible, however, there may be times when due to limited staffing in certain commands this is not possible.

All ranking officers are entitled to receive twenty-seven vacation days per year which are accrued on January 1st. Ranking officers may select up to five separate weeks vacation, however, only three weeks may be type "A" weeks. Ranking officers should use entire weeks, if possible. Ranking officers are also entitled to two individual vacation days per year to be selected in conjunction with the annual vacation selection. Only two percent of the unit rank complement are entitled to use an individual vacation day on any given day, however, other types of leave may be granted, needs of the service permitting. Ranking officers may not select more than one of the following holidays as an IVD: Independence Day, Labor Day, Thanksgiving Day, Christmas Day or New Year's Day.

Ranking officers who are transferred or promoted during the calendar year do not automatically retain their vacation selections. Ranking officers may retain original vacation selections if the efficiency of the command is not impaired, however, minor adjustments may be made to reflect new chart assignments. If this is not possible, ranking officers will select vacation from the weeks remaining.

CAUSE FOR SUSPENSION OR MODIFIED ASSIGNMENT			
DATE ISSUED: 08/04/20	DATE EFFECTIVE: 08/04/20	REVISION NUMBER:	PAGE: 1 of 4

PURPOSE

To describe those actions for which uniformed or civilian members of the service may be suspended or, for which uniformed members of the service may be placed on modified assignment.

NOTE

Civilian members of the service may NOT be placed on modified assignment.

1. The Police Commissioner, a deputy commissioner, a hearing officer assigned to the Office of Deputy Commissioner - Trials, the Chief Surgeon, Deputy Chief Surgeon, a civilian director, or a uniformed member of the service in the rank of captain or higher may suspend a member of the service (uniformed or civilian) or place a uniformed member of the service on modified assignment when, in their opinion, such action is necessary.
2. A ranking officer (uniformed member of the service in rank of sergeant or above) in-charge or in-command **MUST SUSPEND** a member of the service when the member:
 - a. Refuses to perform assigned duties at roll call or during tour of duty,
 - b. Refuses an order of a ranking member to answer question specifically directed and narrowly related to the performance of official duties, after being informed of member's rights as specified in *P.G. 206-13, "Interrogation of Members of the Service,"*

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:
206-07	08/04/20		2 of 4

NOTE

When determining whether an out of state interaction is an arrest for the purposes of this procedure, the presumptive factor is whether the member of the service was fingerprinted.

Traffic Managers and above, and School Safety Deputy Directors and above, are authorized to suspend civilian personnel under their commands for violations listed in step "2" (The principal of the school where the school safety agent is assigned will be notified of the suspension). Suspension by a ranking officer (other than a captain and above), Traffic Manager and above, or School Safety Deputy Director and above, is by authority of the First Deputy Commissioner. Prior conferral or approval of the First Deputy Commissioner is NOT required.

3. A captain or above may place a uniformed member of the service on modified assignment or suspension when a member:
 - a. Is indicted by a grand jury,
 - b. Is charged with an offense,
 - c. Is served with **CHARGES AND SPECIFICATIONS (PD468-121)**, alleging serious misconduct,
 - d. Is unfit for duty due to the effects of an intoxicant or drug, or after effects thereof,
 - e. Patronizes an unlicensed premises (neighborhood tavern or restaurant with an expired/suspended license) where the only apparent illegal activity is the sale of alcoholic beverages, except in the performance of duty, or
 - f. Has participated in an act of serious misconduct, and the ranking officer in-charge of investigation determines that disciplinary action will be taken, or is being contemplated.

ADDITIONAL DATA

Uniformed members of the service who are suspended or modified due to being unfit for duty as the result of a drug that is legally prescribed will be subject to an immediate post suspension/modification evaluation conducted by the Medical Division.

A member of the service (uniformed or civilian) presently on suspension, or a uniformed member of the service on modified assignment pursuant to either steps "2" or "3" above, MUST be re-suspended or suspended, as applicable, for any subsequent violation of the subject steps.

The Department will commence an investigation immediately upon becoming aware of misconduct, or an allegation of misconduct, that includes a serious physical injury, or allegation of a serious physical injury, caused by a member of the service. The Internal Affairs Bureau will evaluate each allegation and assign the investigation to the appropriate investigative authority, or ranking officer in the rank of captain or above. Members of the service may be suspended during the course of a Departmental investigation prior to a hearing and final determination of the charges. A captain or above may suspend a member of the service, or place a uniformed member of the service on modified assignment, when they deem it necessary given the nature of the misconduct alleged, and because disciplinary action is being taken or contemplated. The captain or above in-charge will make an initial determination as to the member of the service's duty status upon completion of the preliminary investigation, typically within 24 hours,

ADDITIONAL DATA (continued)

but no more than 48 hours, of the Department becoming aware of the incident. Given the complexity of some investigations, a duty status determination may be deferred until such time as sufficient evidence is gathered supporting the conclusion to suspend or modify the member concerned.

In all cases in which the investigating commanding officer/duty captain is contemplating changing the duty status of a member of the service (i.e., suspension, modification or restricted duty pending evaluation of duty status), they should confer with the Internal Affairs Bureau Command Center to ascertain any relevant information pertaining to the member(s) of the service, PRIOR to making this decision. This conferral is to obtain background information that may assist in the investigation. All decisions regarding the investigation, as well as any resulting determination regarding the member's duty status, remain the responsibility of the commanding officer/duty captain concerned.

In appropriate cases, a captain or above may assign a uniformed member of the service to administrative duties in the next higher command without placing the member on suspension or modified assignment, when there is no disciplinary action contemplated and facts or circumstances indicate such assignment would be in the best interests of the Department.

*The borough commander/counterpart will review the assignment within three days and determine further appropriate action. A report of this review and results, including the anticipated date member will be returned to command, will be prepared on **Typed Letterhead** and forwarded to the First Deputy Commissioner.*

In all cases where the decision to suspend a member of the service (uniformed or civilian) or to place a uniformed member of the service on modified assignment is based on the discretion of the captain or above (steps "1" and "3" of this procedure), they will, prior to making that decision, confer with the borough commander/counterpart or executive officer.

The Office of Deputy Commissioner - Legal Matters will be available for questions related to law and the Department Advocate's Office will be available for advice on procedures for suspension or modified assignment. However, the decision to suspend or place a uniformed member of the service on modified assignment will rest with the field commander.

*A ranking officer who reasonably believes that a uniformed member of the service is unfit for duty due to effects of an alcoholic intoxicant will notify the precinct commander/duty captain who will respond, conduct an investigation, and based upon common sense standards determine if the member is fit for duty. If found unfit, whether on or off duty, the captain making such determination will suspend the member or place them on modified assignment; apprise the member concerned of the availability of the Counseling Service Programs, and, if the member desires to participate, contact the Counseling Services Unit DIRECT, during normal business hours, or during other than business hours, request conferral by contacting the Sick Desk Supervisor. The precinct commander/duty captain will also prepare eight copies of report on **Typed Letterhead** detailing observations and circumstances leading to determination of unfitness and action taken. Forward each, with copies of all **SUPERVISOR'S FITNESS FOR DUTY REPORTS (PD469-150)**, (DIRECT) to First Deputy Commissioner, Deputy Commissioner, Internal Affairs, Deputy Commissioner, Trials, Chief of Department, Chief of Personnel, Department Advocate's Office, and member's commanding officer. An additional copy will be forwarded to the First Deputy Commissioner (THROUGH CHANNELS).*

VOIDING COMPLAINT REPORTS			
DATE ISSUED: 03/18/19	DATE EFFECTIVE: 03/18/19	REVISION NUMBER:	PAGE: 1 of 2

PURPOSE

To eliminate complaints which were improperly recorded.

PROCEDURE

To VOID COMPLAINT REPORT (PD313-152) after assignment of a precinct serial number:

DESK OFFICER

1. Determine if complaint should be voided. A complaint should be voided if:
 - a. The complaint is a duplicate of a previously reported incident, or
 - b. The incident occurred within the confines of another precinct, or
 - c. The incident occurred outside the confines of New York City, or
 - d. A **COMPLAINT REPORT** was prepared for a complaint which should have been recorded in another manner (e.g., an allegation of corruption against a member of the service, a precinct complaint number was used for a complaint which should receive a Detective Bureau number, a precinct complaint number was used for an incident/condition which should have been recorded via *P.G. 212-12, "Citywide Intelligence Reporting System,"* etc.).
2. Determine if **COMPLAINT REPORT** has been finalized (i.e., signed-off) in the OMNIFORM System.

IF COMPLAINT REPORT HAS NOT BEEN FINALIZED:

COMMAND CLERK

3. Enter reason(s) for voiding complaint under "Details" on **COMPLAINT REPORT WORKSHEET**.
4. Have **COMPLAINT REPORT WORKSHEET** filed chronologically in rear of precinct complaint file.
5. Utilize VOID function on the OMNIFORM System to properly document the VOIDED complaint.

IF COMPLAINT REPORT HAS BEEN FINALIZED:

DESK OFFICER

6. Have command clerk prepare **Omniform Complaint Revision**.

COMMAND CLERK

7. Reclassify original offense to "VOIDED."
8. Enter under "Details" on **Omniform Complaint Revision**:
 - a. The specific reason for voiding the original complaint.
 - (1) If complaint referred to another command indicate the new command and new OLCS serial number from that command.
 - (2) If the complaint is a duplicate of a previously reported complaint, indicate the reason for voiding as "Duplicate Report" and the original complaint serial number.
9. Attach precinct of record copy of **Omniform Complaint Revision** to precinct file copy of voided **COMPLAINT REPORT**.

DESK OFFICER 10. Ensure that **Omniform Complaint Revision** is distributed in same manner as voided **COMPLAINT REPORT**.

NOTE *After a **COMPLAINT REPORT** has been finalized, a complaint serial number (voided or not) cannot be changed in the OMNIFORM System.*

*Any notifications made prior to voiding complaint will be amended after the **COMPLAINT REPORT** is voided.*

ADDITIONAL DATA *There is a distinction between voided complaints and unfounded complaints. A voided complaint is one in which the **COMPLAINT REPORT** should not have been prepared. An unfounded case is one in which the report should have been prepared but subsequent information leads to the determination that the case should be classified as unfounded (e.g., a voided case is one in which a **JUVENILE REPORT SYSTEM WORKSHEET (PD377-159A)** rather than a **COMPLAINT REPORT** should have been prepared; an unfounded case is one in which a vehicle is reported stolen by a complainant and later a tow company informs the precinct that the vehicle was legally towed).*

REPORTING OF COMPLAINTS OCCURRING IN ANOTHER COMMAND			
DATE ISSUED: 03/18/19	DATE EFFECTIVE: 03/18/19	REVISION NUMBER:	PAGE: 1 of 2

PURPOSE

To refer certain complaints occurring in another command.

SCOPE

Complaint data entered into the OMNIFORM System will automatically be made available to a transit district covered by that precinct. Conversely, complaint data entered into the OMNIFORM System from a transit district will be available to a precinct covered by that district. This will NOT occur if the precinct and transit district boundaries do not overlap. Therefore, when a member of the service in a precinct takes a complaint pertaining to an incident that occurred within a transit district covering that precinct, the complaint will be entered into the OMNIFORM System by that precinct's personnel and will be finalized by the transit district desk officer. Similarly, when a member of the service in a transit district takes a complaint pertaining to an incident that occurred within a precinct covering that district, the complaint will be entered into the OMNIFORM System by that district's personnel and will be finalized by the precinct desk officer. Transit desk officers will be responsible for finalizing ALL complaints under their jurisdiction (i.e., code 01). In any event, the procedure below MUST be followed for ALL complaints occurring in another command even where the automated transfer of data takes place in order to allow the precinct/district concerned to review **COMPLAINT REPORT WORKSHEET (PD313-152A)** prior to finalization.

PROCEDURE

When informed of a complaint which occurred in another command:

MEMBER OF THE SERVICE

1. Thoroughly interview complainant and obtain facts.
2. Prepare **COMPLAINT REPORT WORKSHEET**.
3. Give **COMPLAINT REPORT WORKSHEET** to desk officer.

DESK OFFICER (PRECINCT TAKING REPORT)

 - f. Additional stolen property not previously reported.
 - g. Serial numbers obtained for property previously reported.
 - h. Dead human is identified and property has been invoiced to the Property Clerk or Public Administrator.

NOTE *There is a distinction between voided complaints and unfounded complaints. A voided complaint is one in which the **COMPLAINT REPORT** should not have been prepared. An unfounded case is one in which the report should have been prepared but subsequent information leads to the determination that the case should be classified as unfounded (e.g., a voided case is one in which a **JUVENILE REPORT SYSTEM WORKSHEET (PD377-159A)** rather than a **COMPLAINT REPORT** should have been prepared; an unfounded case is one in which a vehicle is reported stolen by a complainant and later a tow company informs the precinct that the vehicle was legally towed).*

*As with **COMPLAINT REPORTS**, proper recording of property values on an **Omniform Complaint Revision** is essential for accurate entry into the FBI Uniform Crime Reporting (UCR) System. Values must be properly consolidated in the "Value Stolen" and "Value Recovered" columns of the Property Summary Section. In addition, the person preparing the report must examine previous reports related to the complaint (i.e., **COMPLAINT REPORT**, previously prepared **Omniform Complaint Revisions** to ensure that property values are not being reported more than once. Only additional information with respect to property values are to be recorded.*

Arrests or other information concerning a complaint received BEFORE the original COMPLAINT REPORT is finalized will be entered on the original COMPLAINT REPORT.

ADDITIONAL DATA

A member of the service having or receiving information relative to corruption or other misconduct, or an allegation of corruption or other misconduct, has the responsibility to report such information directly to the Internal Affairs Bureau, Command Center. Additionally, a notification to the Internal Affairs Bureau will satisfy the member's affirmative duty to report corruption or misconduct to the New York State Attorney General's Law Enforcement Misconduct Investigative Office, as required by New York State law. A notification to the Internal Affairs Bureau satisfies a member's responsibility to report, thereby eliminating a direct notification to the Law Enforcement Misconduct Investigative Office.

Failure to report corruption, other misconduct, or allegations of such act is, in itself, an offense of serious misconduct and will be charged as such when uncovered during an investigation. Conduct designed to cover up acts of corruption, prevent or discourage its report, or intimidate those who would report it, will be charged as an obstruction of justice or other criminal act with the consent of the prosecutor who has criminal jurisdiction.

A member of the service receiving an allegation of corruption against oneself will request a supervising officer to respond to the scene. The supervising officer will interview the complainant and confer with the Internal Affairs Bureau, Command Center, BEFORE interviewing the member concerning the allegation.

OPERATIONAL CONSIDERATIONS

THERE ARE NO MINIMUM TIME LIMITS THAT MUST BE OBSERVED BEFORE ACCEPTING A REPORT OF A MISSING PERSON.

Missing person complaints WILL BE ACCEPTED for persons missing from temporary residences within New York City (hotels, rooming houses, etc.). However, complainants will also be instructed to report such cases to the local police agency covering the permanent residence of the missing person. UNDER NO CIRCUMSTANCES WILL COMPLAINANTS BE REFERRED DIRECTLY TO THE MISSING PERSONS SQUAD.

Missing persons ordinarily DO NOT INCLUDE the following:

- a. Persons wanted for crimes; or*
- b. Persons wanted on warrants; or*
- c. Persons eighteen years of age or older who have left home voluntarily because of domestic, financial or similar reasons.*

These exclusions are intended for persons who are likely to have fled VOLUNTARILY as a direct result of their status (e.g., a person wanted for a crime fleeing to avoid prosecution). However, the exclusions listed above shall not be used as a justification for failing to accept a missing persons report when the totality of the circumstances indicate that a person may in fact be missing.

In the event that a special category missing person is not found prior to the change of tour, the outgoing desk officers of both the precinct/PSA/transit district of occurrence and precinct/PSA of residence MUST confer with the incoming desk officer regarding the facts and details surrounding the case. The incoming desk officer will reference the Command Post Log to ensure the missing person's pedigree and important details pertaining to the case are disseminated during roll call for the outgoing platoon. The patrol boroughs of both the locations of occurrence and residence will inform the incoming duty captains of the status of all special category missing person investigations. The incoming precinct/PSA commanding officers, executive officers and/or duty captains concerned, in coordination with the assigned detective, will direct additional searches as necessary and will determine their scopes and durations. Complaints of missing New York City residents shall be recorded at the missing person's resident precinct and the commanding officer of the precinct/PSA of residence is ultimately responsible for directing the overall effort to locate the missing person.

Maintain, in front of Command Post Log, a listing of “special category” missing persons captioned as follows:

<u>NAME OF MISSING PERSON</u>	<u>SAFE RETURN INFORMATION</u>	<u>AGE</u>	<u>DATE OF REPORT</u>	<u>PAGE NUMBER</u>
-----------------------------------	------------------------------------	------------	---------------------------	------------------------

SIXTY YEARS OF AGE AND OLDER – The Missing Persons Squad will make a daily telephone notification to the New York City Department for the Aging (DFTA) of persons sixty years of age and older who were reported missing for any reason during the previous calendar day. Hours of operation for the DFTA are 0900 to 1700 hours, Monday thru Friday, and the Missing Persons Squad will notify DFTA the next business day for missing persons reported on weekends or holidays.

The telephone notification shall include the name, address and contact numbers of a family member and/or caretaker of the missing person. A brief synopsis of the details along with the missing person’s medical situation shall also be included in the telephone notification to DFTA.

NON-RESIDENTS - A report of person missing from a residence OUTSIDE New York City WILL NOT BE ACCEPTED. The complainant will be directed to report the case to the local police agency covering the residence of the missing person. The local police may request this Department to assist in the investigation. Assigned NYPD personnel will ascertain if any known locations of the missing person within New York City require a search given the facts of the initial investigation.

VICTIM OF A CRIME - When a person reported missing or unidentified is found to be the victim of a crime, the investigating member will notify the desk officer, precinct/PSA of residence and precinct/PSA/transit district of occurrence (if different) and the Missing Persons Squad. The member will also prepare an **Omniform Complaint Revision** to close the missing person case. The member will then prepare another **COMPLAINT REPORT** and have a new complaint number assigned to the new case.

The Missing Persons Squad is required to make a report through NYSPIN to the Central Registry as soon as possible upon receiving a notification of a missing child under eighteen years of age.

ACTIVATING LEVEL 1 MOBILIZATION

The patrol supervisor will not activate a Level 1 mobilization for a missing person without first consulting the commanding officer/duty captain. If additional personnel are deemed necessary by the patrol supervisor, they may, without prior consultation, deploy personnel from their command (e.g., administrative personnel, specialized personnel, etc.) to assist in the missing person investigation. If there are exigent circumstances and an immediate need for additional personnel for a missing person investigation (e.g., possible kidnapping-in-progress, etc.), the patrol supervisor may activate a Level 1 mobilization without prior approval, and consult with the commanding officer/duty captain as soon as possible.

ADDITIONAL DATA

All members of the service are reminded that a clear distinction exists between the “Jurisdiction” code and the “Reporting Agency” code listed on a **COMPLAINT REPORT WORKSHEET/Omniform Complaint Revision**.

The “Jurisdiction” code refers to the bureau, division or agency having the primary patrol responsibility over the location of occurrence. The Transit Bureau (Jurisdiction code “01”) has primary responsibility to patrol the New York City subway, subway stations and elevated train lines and the Transit Bureau District offices only. Accordingly, complaints not under the jurisdiction of the NYPD Transit Bureau shall **NOT** be classified as “01” (Transit Bureau).

Some stairways, street stairways, passageways and ramps are the property of other transportation facilities such as the LIRR (code “06”), PATH (code “03”), AMTRAK (code “07”), or Metro-North (code “15”). Complaints alleged to have occurred at these locations are considered off the NYC Transit System and the appropriate jurisdiction code **MUST** be entered by the member of the service preparing a **COMPLAINT REPORT WORKSHEET/Omniform Complaint Revision**.

The Pattern Identification Module (PIM) Transit Bureau Liaison assigned to each Patrol Services Bureau Borough command will thoroughly review all complaints, regardless of jurisdictional code, to ensure that all transit-related crimes have been reported to the appropriate transit district of record.

The “Reporting Agency” code refers to the specific assignment of the member of the service who is preparing the **COMPLAINT REPORT WORKSHEET/Omniform Complaint Revision** or who effected the recorded arrest, as follows:

Code “00” NYPD MOS (not assigned to Transit Bureau or Housing Bureau)

Code “01” NYPD Transit Bureau MOS

Code “02” NYPD Housing Bureau MOS

Codes “03 through 15” Other Agency Officers

RECORDING ENFORCEMENT INCIDENTS			
DATE ISSUED: 05/31/18	DATE EFFECTIVE: 05/31/18	REVISION NUMBER:	PAGE: 1 of 2

PURPOSE

To clarify the boundaries within which police service area/transit district/precinct commands will record enforcement incidents as being “ON-DEVELOPMENT” or within the jurisdiction of the New York City Housing Authority.

- d. Any situation which requires the preparation of a **JUVENILE REPORT SYSTEM WORKSHEET (PD377-159A)** or a **YOUTH REFERRAL (PD377-153)**.

OFF-DEVELOPMENT - For the purpose of this procedure, is an “enforcement incident” which occurs at a location not listed above.

NOTE

When an “enforcement incident” begins “off-development” but ends “on-development,” or vice versa, the jurisdictional determinant will be the location where the incident originally started.

COMPLAINTS INVOLVING IDENTITY THEFT

DATE ISSUED:

12/31/15

DATE EFFECTIVE:

12/31/15

REVISION NUMBER:

PAGE:

1 of 3

PURPOSE

To outline the duties and responsibilities of a member of the service when made aware of a complaint involving Identity Theft.

DEFINITION

A person is guilty of Identity Theft when he or she knowingly and with intent to defraud assumes the identity of another person by presenting himself or herself as that other person, or by acting as that other person or by using personal identifying information of that other person and thereby: obtains goods, money, property or services or uses credit in the name of such other person or causes financial loss to such person or to another person (NYS Penal Law 190.77-190.80).

SCOPE

Complaints involving Identity Theft can be complex in nature stemming from a myriad of variables and permutations. The member of the service encountering such a complaint must realize the possibility that such a complaint can potentially encompass numerous crimes. As a result, the **Crime Complaint Reporting System Reference Guide (Rev. 6/11)** will be used to classify Identity Theft related crimes. Significant clarifications and changes have been made to the **Crime Complaint Reporting System Reference Guide** to instruct the member of the service in the proper classification of Identity Theft related crimes. It must be noted that the "Seven Major Felony Rule" *P.G. 207-01, "Complaint Reporting System"* will still be applicable.

PROCEDURE

When a member of the service is made aware of a complaint involving Identity Theft:

MEMBER OF THE SERVICE

1. Determine whether the complainant is a victim of Identity Theft.
2. Ascertain where the complainant/victim resides (i.e. inside or outside NYC).
3. Instruct and assist the complainant/victim in preparing pages 1 and 2 of the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT (PD313-1516)** if the complaint meets the criteria outlined in the **Crime Complaint Reporting System Reference Guide**.
 - a. Ensure complainant signs **BOTH** waivers on pages 1 and 2.
 - b. If necessary, assist complainant in contacting credit card issuer for required information (e.g. address where card was sent etc.)

NOTE

*A refusal by the complainant/victim to prepare or sign the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** form does not preclude the requirement to prepare a **COMPLAINT REPORT**. Any refusal by the complainant to prepare or sign a **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** form will be noted in the details section of the **COMPLAINT REPORT**.*

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:
207-34	12/31/15		2 of 3

MEMBER OF THE SERVICE (continued)

4. Prepare **COMPLAINT REPORT (PD313-152)**.
 - a. Utilize the **Crime Complaint Reporting System Reference Guide** as well as the charts on the cover sheet of the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** to classify **COMPLAINT REPORT**.
5. Forward completed **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** to Desk Officer for review.

DESK OFFICER

6. Review **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** for accuracy and completeness.
7. Ensure **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** is attached to precinct file copy of **COMPLAINT REPORT**.
 - a. Ensure that copies of the **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** are forwarded to the precinct detective squad.
8. Refer complainant/victim to the precinct detective squad for further investigation and preparation of **IDENTITY THEFT PRELIMINARY INVESTIGATION REPORT (PD313-0847)**, if detective squad member is available.
9. Ensure notification is made to the Financial Crimes Task Force for complaints involving Identity Theft related larcenies and loss is valued at \$5,000 or more.
 - a. Ensure time, date, and name of member notified are included in the "Details" section of the **COMPLAINT REPORT**.

DETECTIVE SQUAD MEMBER

10. Interview complainant and prepare **IDENTITY THEFT PRELIMINARY INVESTIGATION REPORT**.
11. Review **COMPLAINT REPORTS** daily for Identity Theft cases and conduct follow-up investigations on all cases not previously referred for investigation.

ADDITIONAL DATA

*If a **COMPLAINT REPORT** was initially taken for lost/stolen property or related offenses (Robbery, Burglary, etc.) and the complainant/victim subsequently becomes a victim of Identity Theft resulting from the initial complaint, the member of the service will prepare an **Omniform Complaint Revision** or **COMPLAINT FOLLOW-UP INFORMATIONAL (PD313-081A)**, as appropriate, and instruct and assist the complainant/victim in preparing pages 1 and 2 of **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT**. The above will be adhered to only after a thorough investigation reveals a nexus between the initial **COMPLAINT REPORT** and the complainant consequently becoming a victim of Identity Theft. If this criteria is not met, then a new **COMPLAINT REPORT** will be generated for the appropriate crime. If the reporting command is not the command of incident, the Desk Officer will ensure the **Omniform Complaint Revision** or **COMPLAINT FOLLOW-UP INFORMATIONAL**, and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** are forwarded to the originating command of incident.*

SILVER ALERT SYSTEM			
DATE ISSUED: 02/15/17	DATE EFFECTIVE: 02/15/17	REVISION NUMBER:	PAGE: 1 of 4

PURPOSE

To provide information to the public in the event a person who is:

- a. Sixty-five years of age or older, and
- b. Meets the additional qualifying criteria of a “vulnerable senior,” (i.e. a person sixty-five years of age or older with dementia, as a result of Alzheimer’s disease or a similar condition) and,
- c. Is reported missing under circumstances indicating he/she is in imminent danger of serious bodily harm or death.

DEFINITIONS

SILVER ALERT - A communication to the public of identifying information concerning a “vulnerable senior” who is reported missing to the Department or other law enforcement agency under circumstances indicating that the person is in imminent danger of serious bodily harm or death. The determination to activate a Silver Alert shall be made by a captain or above assigned to the Detective Bureau.

VULNERABLE SENIOR - A person sixty-five years of age or older with dementia, as a result of Alzheimer’s disease or a similar condition.

PROCEDURE

When responding to a report of a missing person and information received indicates that the case may qualify for a Silver Alert:

UNIFORMED MEMBER OF THE SERVICE

1. Comply with *P.G. 207-23, “Missing Persons”* and request the response of the patrol supervisor.
2. Notify desk officer of details.

NOTE

The patrol supervisor will implement missing person/special category procedure as necessary, consistent with all available information.

DESK OFFICER

3. Comply with the duties described in *P.G. 207-23, “Missing Persons”* and ascertain if incident may fit criteria for activation of a Silver Alert.
4. Request Precinct Detective Squad supervisor and commanding officer/duty captain to respond to the scene.

PRECINCT DETECTIVE SQUAD INVESTIGATOR /SUPERVISOR

5. Conduct a preliminary investigation and ascertain if missing person fits the definition of a “vulnerable senior” and is missing under circumstances indicating that he/she is in imminent danger of serious bodily harm or death.
 - a. Notify Detective Zone Commanding Officer/Detective Bureau Duty Captain, if missing person meets the criteria for the activation of a Silver Alert.
 - b. Request Detective Zone Commanding Officer/Detective Bureau Duty Captain respond to the scene.

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:
207-35	02/15/17		2 of 4

NOTE

Only a captain or above from the Detective Bureau may activate a Silver Alert. A Silver Alert will NOT be activated unless the “vulnerable senior” is missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death. A person’s status as a vulnerable senior alone is normally insufficient to justify a Silver Alert without additional factors that constitute imminent danger (e.g., severe weather, need for immediate medical attention, history of violent or reckless behavior, etc.).

The Detective Zone Commanding Officer/Detective Bureau Duty Captain may activate a Silver Alert for a person under the age of sixty-five who is reported missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death and where such missing person has dementia as a result of Alzheimer’s disease, or similar condition, if he/she reasonably believes a Silver Alert will be beneficial in locating the missing person.

DETECTIVE ZONE COMMANDING OFFICER/ DETECTIVE BUREAU DUTY CAPTAIN

6. Confer with Precinct Detective Squad investigator/supervisor, patrol supervisor, commanding officer/duty captain, and other personnel on scene regarding the circumstances of the incident and determine if missing person is a “vulnerable senior” and missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death.
7. Notify Operations Unit and request the activation of a Silver Alert, if appropriate and provide the following information:
 - a. Name, age, and detailed physical description (including clothing worn) of the missing person
 - b. Location and time last seen
 - c. Description of motor vehicle, if applicable
 - d. Any type of prescribed medication missing requires, if applicable
 - e. Probable destination of the missing, if known
 - f. Probable method of transportation and route used, if known
 - g. The action the public should take if they have information regarding the missing person (e.g., call 911, etc.).
8. Direct Precinct Detective Squad member to:
 - a. Notify Missing Persons Squad
 - b. Prepare and submit a “Request for Media Attention” form to the Deputy Commissioner, Public Information along with a recent photograph, if available.

NOTE

There are no minimum time limits that must be observed before requesting the activation of a Silver Alert; however, local law requires a Silver Alert be issued within twenty-four hours of the determination that a “vulnerable senior” has been reported missing under circumstances indicating that he/she is in imminent danger of serious bodily harm or death. In most cases, barring exceptional circumstances, the most prudent approach would be to activate a Silver Alert AFTER patrol/field resources have been exhausted and the preliminary search and investigation have yielded negative results. The decision to activate a Silver Alert rests solely with the Detective Zone Commanding Officer/Detective Bureau Duty Captain.

12. Notify Traffic Management Center and request a message regarding the Silver Alert be transmitted via Variable Message Signs if a vehicle description and plate number are available regarding the Silver Alert.
13. Prepare and forward Alert Data based on information received from Detective Zone Commanding Officer/Detective Bureau Duty Captain to Office of Emergency Management (OEM) Watch Command.
 - a. OEM Watch Command will draft a Public Alert and transmit the draft Public Alert to the Operations Unit for approval.

The Watch Command will then transmit the Public Alert to the public via Short Messaging System (SMS), email, and recorded phone message.

OPERATIONAL GUIDELINES FOR PROCESSING COMPLAINTS/ARRESTS FOR GRAFFITI			
DATE ISSUED: 01/01/20	DATE EFFECTIVE: 01/01/20	REVISION NUMBER:	PAGE: 1 of 3

PURPOSE

To establish guidelines for processing complaints and arrests for graffiti and possession of graffiti instruments.

DEFINITIONS

GRAFFITI OR TAGGING – The etching, painting, covering, or otherwise placing a mark upon public or private property, with the intent to damage such property, without permission to do so.

TAG – A personal signature typically made with a unique style that can be utilized to identify the graffiti vandal; a tag can be the graffiti vandal's initials, name, nickname, alias, or any word, and/or any combination of letters, numbers and symbols. A tag can be part of the graffiti, or appear adjacent to graffiti, or be graffiti by itself.

POSSESSION OF GRAFFITI INSTRUMENTS – The possession of any tool, instrument, article, substance, solution or other compound designed or commonly used to etch, paint, cover, draw upon or otherwise place a mark upon a piece of property which the subject has no permission or authority to etch, paint, cover, draw upon or otherwise mark, under the circumstances evincing an intent to use the same in order to damage such property.

SCOPE

In order to maximize the Department's enforcement efforts in combating graffiti crimes, it is essential that all graffiti related information is properly recorded and documented. It is essential to notify the Transit Bureau, Citywide Vandals Task Force immediately, whenever an arrest is effected for making graffiti, possession of graffiti instruments and/or shoplifting that involves the theft of spray paint or paint markers. Additionally, whenever a complaint or arrest report is prepared for a graffiti related incident, it is imperative that the graffiti "tag" information is entered in the "Details" caption and the "Nickname/Alias/Maiden Name" caption of the **COMPLAINT REPORT WORKSHEET (PD313-152A)** and/or **ON LINE BOOKING SYSTEM ARREST WORKSHEET (PD244-159)**. This information is crucial for the monitoring and tracking graffiti recidivists.

PROCEDURE

When processing complaints, arrests on open complaint, summary arrests for graffiti, and/or possession of graffiti instruments:

UNIFORMED MEMBER OF THE SERVICE

1. Photograph graffiti vandalism utilizing a Department issued digital camera.
2. Query Enterprise Case Management System (ECMS) Graffiti database via the OMNIFORM Graffiti search function to ascertain if the subject has prior graffiti arrests/convictions or is the subject of an open investigation, currently being conducted by Citywide Vandals Task Force (CVTF).

THE SERVICE
(continued)**

3. Prepare **COMPLAINT REPORT WORKSHEET (PD313-152A)**.
 - a. List all discernible details of the tag, including size, color, description, etc., (e.g., complainant observed the graffiti tag “ABC” written in blue and yellow spray paint on a space approximately three feet by five feet on a roll-down gate at the above location).
 - b. Enter tag into the “Nickname/Alias/Maiden Name” caption of **COMPLAINT REPORT WORKSHEET** and/or **ON LINE BOOKING SYSTEM ARREST WORKSHEET (PD244-159)**.
 - c. Do not attempt to decipher an illegible tag.
 - (1) An illegible tag must be recorded as “TAG UNDER INVESTIGATION” in the “Details” caption and the “Nickname/Alias/Maiden Name” caption of the **COMPLAINT REPORT WORKSHEET** and/or **ON LINE BOOKING SYSTEM ARREST WORKSHEET**.
4. Immediately deliver graffiti **COMPLAINT REPORT** to the precinct desk officer and upload the digital photograph utilizing the “Graffiti Photo Upload” option found in the OMNIFORM Complaints menu.

IN ALL GRAFFITI ARREST SITUATIONS:

**UNIFORMED
MEMBER OF
THE SERVICE**

5. Immediately notify the Citywide Vandals Task Force and provide tag information.
 - a. Obtain Citywide Vandals Task Force log number and enter log number into “Details” caption of the **ON LINE BOOKING SYSTEM ARREST WORKSHEET**.
 - b. Notify and confer with a Citywide Vandals Task Force supervisor prior to issuing a **DESK APPEARANCE TICKET** for a graffiti-related arrest.

NOTE

Citywide Vandals Task Force must be notified for all graffiti-related arrests. This notification should be made early during the arrest processing. This will give Citywide Vandals Task Force personnel enough time to respond to the command, assist with an arrest enhancement, and conduct a debriefing, if necessary. When an investigation during arrest processing reveals that a graffiti offender has prior arrests/convictions, or is a recidivist for any graffiti-related offense, ensure the District Attorney is apprised of the subject’s prior record.

Contact the Citywide Vandals Task Force regarding any graffiti related questions, (e.g., identifying a tag, interpreting a tag’s meaning, etc.).

ADDITIONAL DATA

OPERATIONAL CONSIDERATIONS:

In order to further enhance prosecution, apprehension and identification of graffiti vandals, all uniformed members of the service must confer with Citywide Vandals Task Force prior to conducting any graffiti investigations, to avoid compromising any investigations that may already be underway. This may assist the Citywide Vandals Task Force in identifying and apprehending graffiti vandals that are not currently under investigation by the Citywide Vandals Task Force.

Digital photographs may be utilized by commands to demonstrate progress in correcting graffiti conditions at Community Board meetings, etc. (i.e., before and after pictures).

LEGAL CONSIDERATIONS:

Uniformed members of the service are reminded to use the appropriate subdivisions of the New York City Administrative Code 10-117, "Defacement of Property, Possession, Sale and Display of Aerosol Spray Paint Cans, Broad Tipped Markers and Etching Acid Prohibited in Certain Instances" or the New York State Penal Law in Article 145, "Criminal Mischief and Related Offenses" for graffiti-related arrests. In circumstances where a Penal Law charge or NYC Administrative Code charge are both applicable, the uniformed member will charge the appropriate NYS Penal Law offense.

Members of the service responsible for inputting and maintaining data in the "Recidivist Tracking and Reporting Database" must remove the name and any other identifying information of individuals whose underlying case was dismissed and whose record was sealed.

The sexual assault advocate's role is to provide support for the sexual assault victim and is authorized to be present in a support capacity when uniformed members of the service are interacting with the sexual assault victim. The sexual assault advocate is allowed to be present at the request of the victim.

All members of the service will have a compassionate and non-judgmental attitude and demeanor towards all complainants of sex crimes. It is the duty of the responding member of the service to acquire the basic facts and refer those facts as appropriate, and to make no personal judgment of those facts.
