VOIDING COMPLAINT REPORTS		
DATE EFFECTIVE: 03/16/22	LAST REVISION: I.O. 28	PAGE: 1 of 2

PURPOSE To eliminate complaints which were improperly recorded.

PROCEDURE To VOID COMPLAINT REPORT (PD313-152) after assignment of a precinct serial number:

- DESK OFFICER**
1. Determine if complaint should be voided. A complaint should be voided if:
 - a. The complaint is a duplicate of a previously reported incident, or
 - b. The incident occurred within the confines of another precinct, or
 - c. The incident occurred outside the confines of New York City, or
 - d. A **COMPLAINT REPORT** was prepared for a complaint which should have been recorded in another manner (e.g., an allegation of corruption against a member of the service, a precinct complaint number was used for a complaint which should receive a Detective Bureau number, a precinct complaint number was used for an incident/condition which should have been recorded via [P.G. 212-12, "Citywide Intelligence Reporting System,"](#) etc.).
 2. Determine if **COMPLAINT REPORT** has been finalized (i.e., signed-off) in the OMNIFORM System.

IF COMPLAINT REPORT HAS NOT BEEN FINALIZED:

- DESK OFFICER**
3. Enter reason(s) for voiding complaint under "Details" on **COMPLAINT REPORT WORKSHEET**.
 4. Have **COMPLAINT REPORT WORKSHEET** filed chronologically in rear of precinct complaint file.
 5. Utilize VOID function on the OMNIFORM System to properly document the VOIDED complaint.

IF COMPLAINT REPORT HAS BEEN FINALIZED:

- DESK OFFICER**
6. Have command clerk prepare **Omniform Complaint Revision**.

- MEMBER OF THE SERVICE**
7. Reclassify original offense to "VOIDED."
 8. Enter under "Details" on **Omniform Complaint Revision**:
 - a. The specific reason for voiding the original complaint.
 - (1) If complaint referred to another command indicate the new command and new OLCS serial number from that command.
 - (2) If the complaint is a duplicate of a previously reported complaint, indicate the reason for voiding as "Duplicate Report" and the original complaint serial number.
 9. Attach precinct of record copy of **Omniform Complaint Revision** to precinct file copy of voided **COMPLAINT REPORT**.

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	LAST REVISION:	PAGE:

DESK OFFICER 10. Ensure that **Omniform Complaint Revision** is distributed in same manner as voided **COMPLAINT REPORT**.

NOTE *After a **COMPLAINT REPORT** has been finalized, a complaint serial number (voided or not) cannot be changed in the OMNIFORM System.*

*Any notifications made prior to voiding complaint will be amended after the **COMPLAINT REPORT** is voided.*

**ADDITIONAL
DATA**

*There is a distinction between voided complaints and unfounded complaints. A voided complaint is one in which the **COMPLAINT REPORT** should not have been prepared. An unfounded case is one in which the report should have been prepared but subsequent information leads to the determination that the case should be classified as unfounded (e.g., a voided case is one in which a **JUVENILE REPORT SYSTEM WORKSHEET (PD377-159A)** rather than a **COMPLAINT REPORT** should have been prepared; an unfounded case is one in which a vehicle is reported stolen by a complainant and later a tow company informs the precinct that the vehicle was legally towed).*

REPORTING OF COMPLAINTS OCCURRING IN ANOTHER COMMAND		
DATE EFFECTIVE: 03/16/22	LAST REVISION: I.O. 28	PAGE: 1 of 2

PURPOSE

To refer certain complaints occurring in another command.

SCOPE

Complaint data entered into the OMNIFORM System will automatically be made available to a transit district covered by that precinct. Conversely, complaint data entered into the OMNIFORM System from a transit district will be available to a precinct covered by that district. This will NOT occur if the precinct and transit district boundaries do not overlap. Therefore, when a member of the service in a precinct takes a complaint pertaining to an incident that occurred within a transit district covering that precinct, the complaint will be entered into the OMNIFORM System by that precinct's personnel and will be finalized by the transit district desk officer. Similarly, when a member of the service in a transit district takes a complaint pertaining to an incident that occurred within a precinct covering that district, the complaint will be entered into the OMNIFORM System by that district's personnel and will be finalized by the precinct desk officer. Transit desk officers will be responsible for finalizing ALL complaints under their jurisdiction (i.e., code 01). In any event, the procedure below MUST be followed for ALL complaints occurring in another command even where the automated transfer of data takes place in order to allow the precinct/district concerned to review **COMPLAINT REPORT WORKSHEET (PD313-152A)** prior to finalization.

OPERATIONAL CONSIDERATIONS

*If during the course of an official investigation information is required from the Parking Violations Bureau, the uniformed member of the service concerned will prepare two copies of **OFFICIAL LETTERHEAD (PD158-151)** addressed to the Commanding Officer, Investigation Review Section, requesting the information required. The commanding officer of the requesting member will endorse and forward both copies of the request to the Investigation Review Section, Office of the Chief of Department, in a sealed envelope marked "CONFIDENTIAL." Investigation Review Section personnel will send a copy of the request to the Parking Violations Bureau and file the other copy. When a reply is received, it will be forwarded to the requesting member in a sealed envelope. The file copy of the request will be removed from the file and destroyed. In an extreme emergency, the Commanding Officer, Investigation Review Section may establish personal liaison with the Parking Violations Bureau to expedite an investigation.*

When appropriate, after consultation with the patrol borough commander, the detective borough commander may take charge of an investigation not ordinarily referred to a Detective Bureau command.

An automated teller machine (ATM) related crime may be defined as, but is not limited to, criminal activity against a bank patron who is about to use, is currently using or has just completed using an automated teller machine for any type of transaction, and is in the vicinity of the machine or has been followed from the automated teller machine to another location.

*Members of the service preparing **COMPLAINT REPORTS** for automated teller machine (ATM) related crimes will specify that the crime is automated teller machine (ATM) related by entering such in the caption titled, "Actions of Victim Prior to Incident." In addition, supporting information will be articulated under the "Details" section of the **COMPLAINT REPORT**.*

The Central Records Division, Identification Section has an Intranet application that provides immediate access to Orders of Protection issued by ALL New York City based courts, permitting users to search the Department's Order of Protection Database and display or print a copy of the actual court order. This includes not only Orders of Protection involving persons defined under the family/household – expanded definition, but also all individuals who are either the defendant or petitioner of an Order of Protection from any New York City based court. This database is designed to verify that an Order of Protection was issued and to provide a copy of the actual order directly at the command level. This application will also provide access to expired Orders of Protection. Questions or assistance should be directed to the Identification Section's Order of Protection Unit or the Information Technology Bureau (ITB) Service Desk.

If during the course of a preliminary investigation the identity of a person, present or not, is disclosed and there is insufficient evidence to make an arrest, a warrant check will be conducted as per [P.G. 208-22, "Performing Local, State and Federal Warrant Checks"](#) prior to closing the case.

The assigned uniformed member of the service will then conduct a preliminary investigation at the scene and enter the results under the “DETAILS” section of the **COMPLAINT REPORT WORKSHEET (PD313-152A)**.

**ADDITIONAL
DATA**

In complaints of overdue rental vehicles, all the facts must be examined to determine if a criminal action can be supported. In many instances, the retention of a rental vehicle amounts to a breach of a civil contract ONLY, and the rental agency can seek redress in civil court.

A criminal action involving overdue rental vehicles can be supported ONLY if there is a "GROSS DEVIATION" from the rental agreement and the rental agency concerned has served or attempted service of a "NOTICE," in person or by certified mail, at the address indicated in the rental agreement, stating the time and date the vehicle was to be returned; that the agency does not consent to continued retention of the vehicle by the lessee; and that further retention of the vehicle may constitute a Class "A" Misdemeanor.

A "GROSS DEVIATION" may occur when, but is not limited to, a lessee who has legal custody of a vehicle for fifteen days or less, pursuant to a written rental agreement, intentionally retains such vehicle for at least seven days beyond the expiration date of the rental agreement and continues such possession for more than two days after service or attempted service of the above mentioned "NOTICE" from the rental agency.

PURPOSE To investigate, search for, refer and record complaints of missing persons.

DEFINITIONS MISSING PERSON - Person missing from a New York residence and:

SCOPE There are no minimum time limits that must be observed before accepting a report of a missing person.

Complaints of missing New York City residents shall be recorded at the missing person's resident precinct and the commanding officer of the precinct/PSA of residence is ultimately responsible for directing the overall effort to locate the missing person.

Missing person complaints will be accepted for persons missing from temporary residences within New York City (hotels, rooming houses, etc.). Under no circumstances will complainants be referred directly to the missing persons squad.

COMPLAINTS INVOLVING IDENTITY THEFT		
DATE EFFECTIVE: 03/16/22	LAST REVISION: I.O. 28	PAGE: 1 of 3

PURPOSE

To outline the duties and responsibilities of a member of the service when made aware of a complaint involving Identity Theft.

DEFINITION

A person is guilty of Identity Theft when the person knowingly and with intent to defraud assumes the identity of another person by presenting themselves as that other person, or by acting as that other person or by using personal identifying information of that other person and thereby: obtains goods, money, property or services or uses credit in the name of such other person or causes financial loss to such person or to another person (NYS Penal Law 190.77-190.80).

SCOPE

Complaints involving Identity Theft can be complex in nature stemming from a myriad of variables and permutations. The member of the service encountering such a complaint must realize the possibility that such a complaint can potentially encompass numerous crimes. As a result, the **Crime Complaint Reporting System Reference Guide** will be used to classify Identity Theft related crimes. Significant clarifications and changes have been made to the **Crime Complaint Reporting System Reference Guide** to instruct the member of the service in the proper classification of Identity Theft related crimes. It must be noted that the “Seven Major Felony Rule” as described in [P.G. 207-01, “Complaint Reporting System”](#) will still be applicable.”

PROCEDURE

When a member of the service is made aware of a complaint involving Identity Theft:

MEMBER OF THE SERVICE

1. Determine whether the complainant is a victim of Identity Theft.
2. Ascertain where the complainant/victim resides (i.e. inside or outside NYC).
3. Instruct and assist the complainant/victim in preparing pages 1 and 2 of the **COMPLAINANT’S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT (PD313-1516)** if the complaint meets the criteria outlined in the **Crime Complaint Reporting System Reference Guide**.
 - a. Ensure complainant signs **BOTH** waivers on pages 1 and 2.
 - b. If necessary, assist complainant in contacting credit card issuer for required information (e.g. address where card was sent etc.)

NOTE

*A refusal by the complainant/victim to prepare or sign the **COMPLAINANT’S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** form does not preclude the requirement to prepare a **COMPLAINT REPORT**. Any refusal by the complainant to prepare or sign a **COMPLAINANT’S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** form will be noted in the details section of the **COMPLAINT REPORT**.*

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	LAST REVISION:	PAGE:
207-30	03/16/22	I.O. 28	2 of 3

MEMBER OF THE SERVICE (continued)

4. Prepare **COMPLAINT REPORT (PD313-152)**.
 - a. Utilize the **Crime Complaint Reporting System Reference Guide** as well as the charts on the cover sheet of the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** to classify **COMPLAINT REPORT**.
5. Forward completed **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** to Desk Officer for review.

DESK OFFICER

6. Review **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** for accuracy and completeness.
7. Ensure **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** is attached to precinct file copy of **COMPLAINT REPORT**.
 - a. Ensure that copies of the **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** are forwarded to the precinct detective squad.
8. Refer complainant/victim to the precinct detective squad for further investigation and preparation of **IDENTITY THEFT PRELIMINARY INVESTIGATION REPORT (PD313-0847)**, if detective squad member is available.
9. Ensure notification is made to the Financial Crimes Task Force for complaints involving Identity Theft related larcenies and loss is valued at \$5,000 or more.
 - a. Ensure time, date, and name of member notified are included in the "Details" section of the **COMPLAINT REPORT**.

DETECTIVE SQUAD MEMBER

10. Interview complainant and prepare **IDENTITY THEFT PRELIMINARY INVESTIGATION REPORT**.
11. Review **COMPLAINT REPORTS** daily for Identity Theft cases and conduct follow-up investigations on all cases not previously referred for investigation.

ADDITIONAL DATA

*If a **COMPLAINT REPORT** was initially taken for lost/stolen property or related offenses (Robbery, Burglary, etc.) and the complainant/victim subsequently becomes a victim of Identity Theft resulting from the initial complaint, the member of the service will prepare an **Omniform Complaint Revision** or **COMPLAINT FOLLOW-UP INFORMATIONAL (PD313-0814)**, as appropriate, and instruct and assist the complainant/victim in preparing pages 1 and 2 of **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT**. The above will be adhered to only after a thorough investigation reveals a nexus between the initial **COMPLAINT REPORT** and the complainant consequently becoming a victim of Identity Theft. If these criteria are not met, then a new **COMPLAINT REPORT** will be generated for the appropriate crime. If the reporting command is not the command of incident, the Desk Officer will ensure the **Omniform Complaint Revision** or **COMPLAINT FOLLOW-UP INFORMATIONAL**, and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** are forwarded to the originating command of incident.*

SILVER ALERT SYSTEM		
DATE EFFECTIVE: 03/16/22	LAST REVISION: I.O. 28	PAGE: 1 of 4

PURPOSE

To provide information to the public in the event a person who is:

- a. Sixty-five years of age or older, and
- b. Meets the additional qualifying criteria of a “vulnerable senior,” (i.e. a person sixty-five years of age or older with dementia, as a result of Alzheimer’s disease or a similar condition) and,
- c. Is reported missing under circumstances indicating the person is in imminent danger of serious bodily harm or death.

DEFINITIONS

SILVER ALERT - A communication to the public of identifying information concerning a “vulnerable senior” who is reported missing to the Department or other law enforcement agency under circumstances indicating that the person is in imminent danger of serious bodily harm or death. The determination to activate a Silver Alert shall be made by a captain or above assigned to the Detective Bureau.

VULNERABLE SENIOR - A person sixty-five years of age or older with dementia, as a result of Alzheimer’s disease or a similar condition.

PROCEDURE

When responding to a report of a missing person and information received indicates that the case may qualify for a Silver Alert:

UNIFORMED MEMBER OF THE SERVICE

1. Comply with [P.G. 207-23, “Missing Persons”](#) and request the response of the patrol supervisor.
2. Notify desk officer of details.

NOTE

The patrol supervisor will implement missing person/special category procedure as necessary, consistent with all available information.

DESK OFFICER

3. Comply with the duties described in [P.G. 207-23, “Missing Persons”](#) and ascertain if incident may fit criteria for activation of a Silver Alert.
4. Request Precinct Detective Squad supervisor and commanding officer/duty captain to respond to the scene.

PRECINCT DETECTIVE SQUAD INVESTIGATOR /SUPERVISOR

5. Conduct a preliminary investigation and ascertain if missing person fits the definition of a “vulnerable senior” and is missing under circumstances indicating that they are in imminent danger of serious bodily harm or death.
 - a. Notify Detective Zone Commanding Officer/Detective Bureau Duty Captain, if missing person meets the criteria for the activation of a Silver Alert.
 - b. Request Detective Zone Commanding Officer/Detective Bureau Duty Captain respond to the scene.

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	LAST REVISION:	PAGE:
207-31	03/16/22	I.O. 28	2 of 4

NOTE

Only a captain or above from the Detective Bureau may activate a Silver Alert. A Silver Alert will NOT be activated unless the “vulnerable senior” is missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death. A person’s status as a vulnerable senior alone is normally insufficient to justify a Silver Alert without additional factors that constitute imminent danger (e.g., severe weather, need for immediate medical attention, history of violent or reckless behavior, etc.).

The Detective Zone Commanding Officer/Detective Bureau Duty Captain may activate a Silver Alert for a person under the age of sixty-five who is reported missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death and where such missing person has dementia as a result of Alzheimer’s disease, or similar condition, if the Detective Zone Commanding Officer/Detective Bureau Duty Captain reasonably believes a Silver Alert will be beneficial in locating the missing person.

DETECTIVE ZONE COMMANDING OFFICER/ DETECTIVE BUREAU DUTY CAPTAIN

6. Confer with Precinct Detective Squad investigator/supervisor, patrol supervisor, commanding officer/duty captain, and other personnel on scene regarding the circumstances of the incident and determine if missing person is a “vulnerable senior” and missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death.
7. Notify Operations Unit and request the activation of a Silver Alert, if appropriate and provide the following information:
 - a. Name, age, and detailed physical description (including clothing worn) of the missing person
 - b. Location and time last seen
 - c. Description of motor vehicle, if applicable
 - d. Any type of prescribed medication missing requires, if applicable
 - e. Probable destination of the missing, if known
 - f. Probable method of transportation and route used, if known
 - g. The action the public should take if they have information regarding the missing person (e.g., call 911, etc.).
8. Direct Precinct Detective Squad member to:
 - a. Notify Missing Persons Squad
 - b. Prepare and submit a “Request for Media Attention” form to the Deputy Commissioner, Public Information along with a recent photograph, if available.

NOTE

There are no minimum time limits that must be observed before requesting the activation of a Silver Alert; however, local law requires a Silver Alert be issued within twenty-four hours of the determination that a “vulnerable senior” has been reported missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death. In most cases, barring exceptional circumstances, the most prudent approach would be to activate a Silver Alert AFTER patrol/field resources have been exhausted and the preliminary search and investigation have yielded negative results. The decision to activate a Silver Alert rests solely with the Detective Zone Commanding Officer/Detective Bureau Duty Captain.

10. Notify Transit Bureau Wheel (subways) and/or Traffic Management Center (buses), as appropriate, if missing may be traveling via public transportation.
11. Notify Deputy Commissioner, Public Information that a Silver Alert has been activated.
12. Notify Traffic Management Center and request a message regarding the Silver Alert be transmitted via Variable Message Signs if a vehicle description and plate number are available regarding the Silver Alert.
13. Prepare and forward Alert Data based on information received from Detective Zone Commanding Officer/Detective Bureau Duty Captain to Office of Emergency Management (OEM) Watch Command.
 - a. OEM Watch Command will draft a Public Alert and transmit the draft Public Alert to the Operations Unit for approval.
14. Review and approve Public Alert prepared by OEM Watch Command.
 - a. If a Public Alert is not approved, notify OEM Watch Command to modify alert and provide correct Alert Data.
15. Notify and forward appropriate Public Alert information to Deputy Commissioner, Public Information, as appropriate.

NOTE

Once the Operations Unit approves the Public Alert, it is the responsibility of the OEM Watch Command to transmit the Public Alert to responding Department Operations Centers, 311, and NYC.gov for informational purposes. The Watch Command will then transmit the Public Alert to the public via Short Messaging System (SMS), email, and recorded phone message.

WHEN A MISSING PERSON WHO IS THE SUBJECT OF A SILVER ALERT IS LOCATED:

UNIFORMED MEMBER OF THE SERVICE

16. Verify that person is the subject of a Silver Alert.
17. Render reasonable aid to missing person and request ambulance or doctor, if necessary, as per [P.G. 216-01, "Aided Cases – General Procedure."](#)

ADDITIONAL DATA

The Office of the Deputy Commissioner, Public Information is available twenty-four hours a day, seven days per week concerning cases NOT ELIGIBLE for Silver Alert or as needed by members of the service. The Office of the Deputy Commissioner, Public Information has the ability to simultaneously notify a variety of local and national media outlets in cases where the immediate assistance of or notification to the public is deemed necessary. Nothing in this procedure is meant to limit the use of the news media to broadcast information pertaining to appropriate missing persons cases that do not qualify for Silver Alert.

OPERATIONAL GUIDELINES FOR PROCESSING COMPLAINTS/ARRESTS FOR GRAFFITI		
DATE EFFECTIVE: 03/16/22	LAST REVISION: I.O. 28	PAGE: 1 of 3

PURPOSE

To establish guidelines for processing complaints and arrests for graffiti and possession of graffiti instruments.

DEFINITIONS

GRAFFITI OR TAGGING – The etching, painting, covering, or otherwise placing a mark upon public or private property, with the intent to damage such property, without permission to do so.

TAG – A personal signature typically made with a unique style that can be utilized to identify the graffiti vandal; a tag can be the graffiti vandal's initials, name, nickname, alias, or any word, and/or any combination of letters, numbers and symbols. A tag can be part of the graffiti, or appear adjacent to graffiti, or be graffiti by itself.

POSSESSION OF GRAFFITI INSTRUMENTS – The possession of any tool, instrument, article, substance, solution or other compound designed or commonly used to etch, paint, cover, draw upon or otherwise place a mark upon a piece of property which the subject has no permission or authority to etch, paint, cover, draw upon or otherwise mark, under the circumstances evincing an intent to use the same in order to damage such property.

SCOPE

In order to maximize the Department's enforcement efforts in combating graffiti crimes, it is essential that all graffiti related information is properly recorded and documented. It is essential to notify the Transit Bureau, Citywide Vandals Task Force immediately, whenever an arrest is effected for making graffiti, possession of graffiti instruments and/or shoplifting that involves the theft of spray paint or paint markers. Additionally, whenever a complaint or arrest report is prepared for a graffiti related incident, it is imperative that the graffiti "tag" information is entered in the "Details" caption and the "Nickname/Alias/Maiden Name" caption of the **COMPLAINT REPORT WORKSHEET (PD313-152A)** and/or **ON LINE BOOKING SYSTEM ARREST WORKSHEET (PD244-159)**. This information is crucial for the monitoring and tracking graffiti recidivists.

PROCEDURE

When processing complaints, arrests on open complaint, summary arrests for graffiti, and/or possession of graffiti instruments:

UNIFORMED MEMBER OF THE SERVICE

1. Photograph graffiti vandalism utilizing a Department issued digital camera or Department issued smartphone.
2. Query Enterprise Case Management System (ECMS) Graffiti database via the OMNIFORM Graffiti search function to ascertain if the subject has prior graffiti arrests/convictions or is the subject of an open investigation, currently being conducted by Citywide Vandals Task Force (CVTF).

**UNIFORMED
MEMBER OF
THE SERVICE
(continued)**

3. Prepare **COMPLAINT REPORT WORKSHEET (PD313-152A)**.
 - a. List all discernible details of the tag, including size, color, description, etc., (e.g., complainant observed the graffiti tag “ABC” written in blue and yellow spray paint on a space approximately three feet by five feet on a roll-down gate at the above location).
 - b. Enter tag into the “Nickname/Alias/Maiden Name” caption of **COMPLAINT REPORT WORKSHEET** and/or **ON LINE BOOKING SYSTEM ARREST WORKSHEET (PD244-159)**.
 - c. Do not attempt to decipher an illegible tag.
 - (1) An illegible tag must be recorded as “TAG UNDER INVESTIGATION” in the “Details” caption and the “Nickname/Alias/Maiden Name” caption of the **COMPLAINT REPORT WORKSHEET** and/or **ON LINE BOOKING SYSTEM ARREST WORKSHEET**.
4. Prepare **COMPLAINT REPORT** and upload digital photograph using the “Graffiti Photo Upload” option found in the OMNIFORM Complaints menu.

IN ALL GRAFFITI ARREST SITUATIONS:

**UNIFORMED
MEMBER OF
THE SERVICE**

5. Immediately notify the Citywide Vandals Task Force and provide tag information.
 - a. Obtain Citywide Vandals Task Force log number and enter log number into “Details” caption of the **ON LINE BOOKING SYSTEM ARREST WORKSHEET**.
 - b. Notify and confer with a Citywide Vandals Task Force supervisor prior to issuing a **DESK APPEARANCE TICKET** for a graffiti-related arrest.

NOTE

Citywide Vandals Task Force must be notified for all graffiti-related arrests. This notification should be made early during the arrest processing. This will give Citywide Vandals Task Force personnel enough time to respond to the command, assist with an arrest enhancement, and conduct a debriefing, if necessary. When an investigation during arrest processing reveals that a graffiti offender has prior arrests/convictions, or is a recidivist for any graffiti-related offense, ensure the District Attorney is apprised of the subject’s prior record.

Contact the Citywide Vandals Task Force regarding any graffiti related questions, (e.g., identifying a tag, interpreting a tag’s meaning, etc.).

IN ALL GRAFFITI CASES:

**COMMAND
CLERK**

6. Input information into the OMNIFORM System.

- DESK OFFICER** 7. Ensure that graffiti photographs are properly uploaded and attached to the **COMPLAINT REPORT**.
- a. Ensure any graffiti-related complaint contains a digital photograph or it will NOT be available for finalization in the OMNIFORM System.

- SPECIAL OPERATIONS LIEUTENANT, PRECINCT OF OCCURRENCE** 8. Ensure graffiti recidivists are listed in the Recidivist Tracking and Reporting Database and are updated periodically.
9. Review graffiti recidivists listed in the Recidivist Tracking and Reporting Database routinely as a means of discovering and apprehending graffiti recidivists with active warrants who reside within the precinct of occurrence.

ADDITIONAL DATA

OPERATIONAL CONSIDERATIONS:

In order to further enhance prosecution, apprehension and identification of graffiti vandals, all uniformed members of the service must confer with Citywide Vandals Task Force prior to conducting any graffiti investigations, to avoid compromising any investigations that may already be underway. This may assist the Citywide Vandals Task Force in identifying and apprehending graffiti vandals that are not currently under investigation by the Citywide Vandals Task Force.

Digital photographs may be utilized by commands to demonstrate progress in correcting graffiti conditions at Community Board meetings, etc. (i.e., before and after pictures).

LEGAL CONSIDERATIONS:

Uniformed members of the service are reminded to use the appropriate subdivisions of the New York City Administrative Code 10-117, "Defacement of Property, Possession, Sale and Display of Aerosol Spray Paint Cans, Broad Tipped Markers and Etching Acid Prohibited in Certain Instances" or the New York State Penal Law in Article 145, "Criminal Mischief and Related Offenses" for graffiti-related arrests. In circumstances where a Penal Law charge or NYC Administrative Code charge are both applicable, the uniformed member will charge the appropriate NYS Penal Law offense.

Members of the service responsible for inputting and maintaining data in the "Recidivist Tracking and Reporting Database" must remove the name and any other identifying information of individuals whose underlying case was dismissed and whose record was sealed.

*Members of the service must contact the Special Victims Unit if assistance is required regarding the proper classification of complaints involving a sex crime. The member shall request to speak to a Special Victims Unit supervisor. The name of the Special Victims Unit member who assisted must be placed in the "Details" section of the **COMPLAINT REPORT (PD313-152)**.*

Any complaint involving sex related offenses, including secondary offenses that are sex related, requires a notification the Special Victims Unit.

Members of the service will notify the Internal Affairs Bureau Command Center immediately, for complaints involving sex crimes and the impersonation of a law enforcement officer, for notification to the Police Impersonation Investigation Unit (PIIU), as per [P.G. 207-14, "Robbery Complaints Involving Police Impersonation."](#)

The Special Victims Unit will investigate robberies committed by police impersonators, which include any sexual assault, and PIIU will assist in the investigation.

LEGAL ISSUES

Many hospital emergency rooms, as part of their Sexual Assault Treatment Protocol, will provide a sexual assault advocate for victims of sexual assault. The sexual assault advocate's role is to provide support for the sexual assault victim and is authorized to be present in a support capacity when uniformed members of the service are interacting with the sexual assault victim. The sexual assault advocate is allowed to be present at the request of the victim.

DEPARTMENT POLICY

Under no circumstances will the Department's long standing policy of "refer the complaint, not the complainant" be violated. A sex crime complainant will never be referred or directed to report to another Department unit or facility.

All members of the service will have a compassionate and non-judgmental attitude and demeanor towards all complainants of sex crimes. It is the duty of the responding member of the service to acquire the basic facts and refer those facts as appropriate, and to make no personal judgment of those facts.

REVIEW OF REQUESTS FOR U VISA CERTIFICATIONS		
DATE EFFECTIVE: 03/16/22	LAST REVISION: I.O. 28	PAGE: 1 of 7

PURPOSE

To describe the process for reviewing requests for U visa certifications (USCIS Form I-918, Supplement B, U Nonimmigrant Status Certification).

DEFINITIONS

USCIS – United States Citizenship and Immigration Services (USCIS) is the federal component of the Department of Homeland Security (DHS) that has the sole authority to approve or deny (adjudicate) petitions for U nonimmigrant status (U visa).

APPLICANT – A victim of a qualifying crime who requests a U certification, or a person or organization who requests a U certification on behalf of a victim of a qualifying crime.

CERTIFYING OFFICIAL – Certifying officials are the only persons with authority to sign certifications for the Department. The Police Commissioner, as head of the Department, is a de facto certifying official. Under federal law, the Police Commissioner, in writing, may designate additional members of the Department, who are in a supervisory capacity, to sign certifications on behalf of the Department.

QUALIFYING CRIMINAL ACTIVITY – A qualifying criminal activity refers to the list of criminal activities that, under federal statute, are part of the criteria for U status.

U VISA CERTIFICATION – USCIS Form I-918, Supplement B, U Nonimmigrant Status Certification, a document that the Department may, at its discretion, complete free of charge for an eligible victim of a qualifying crime who is petitioning USCIS for U nonimmigrant status.

U NONIMMIGRANT STATUS (U VISA) – Temporary, four-year nonimmigrant status granted to victims of certain qualifying criminal activities, as designated by U.S. Citizenship and Immigration Services (USCIS).

PROCEDURE

Upon receipt of a U visa certification (USCIS Form I-918, Supplement B, U Nonimmigrant Status Certification):

CHIEF OF DEPARTMENT, DOMESTIC VIOLENCE UNIT

1. Review all requests for U visa certification.
2. Review all available Department records within forty-five days of receiving request, to verify and make a determination on each of the following:

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	LAST REVISION:	PAGE:
207-37	03/16/22	I.O. 28	2 of 7

NOTE

The Department may, when possible, make additional effort to review the request within the initial forty-five day period when the request names specific circumstances, including but not limited to, whether the victim is in immigration proceedings, as indicated in Title 38, Chapter 22 of the Rules of the City of New York, titled, "Requesting Certifications for U Nonimmigrant Status (U Certifications)." These specific circumstances are not used as factors to determine whether to issue or deny a certification.

CHIEF OF DEPARTMENT, DOMESTIC VIOLENCE UNIT (continued)

- a. Identity of the Victim: Determine whether the victim named in the U visa certification request is a direct or indirect victim of a crime or criminal activity that the Department investigated. According to federal regulations, investigation refers to the detection or investigation of a qualifying crime or criminal activity. The victim must possess information about the criminal activity. This information is necessary to complete Part 1 of the U visa certification
- b. Qualifying Criminal Activity: Determine whether the crime or criminal activity is a qualifying criminal activity under federal law. This information is necessary to complete Part 3 of the U visa certification
- c. Helpfulness of the Victim: Determine whether the victim was, is, or is likely to be helpful to the Department's investigation of the qualifying criminal activity. This information is necessary to complete Part 4 of the U visa certification
- d. Family Members Culpable in Criminal Activity: Identify whether any of the victim's family members are, or are believed to be, culpable in the criminal activity that is the basis of the certification request. This information is necessary to complete Part 5 of the U visa certification.

NOTE

The certification has seven parts. Agency information (Part 2) does not require verification or determination and the statements in certification (Part 6) depend on the verifications and determinations made in the four sections described in step "2" subdivisions "a through d." Use Additional Information (Part 7) if you need additional space to answer any part of the certification. For further information, see ADDITIONAL DATA statement.

In exceptional cases, where a request requires additional time, the applicant will be notified of the circumstances and every effort will be made to resolve the delay and expedite the determination.

ADDITIONAL DATA

The Chief of Department's Domestic Violence Unit is the Department's designated U Visa Certification Office and therefore, it is the only entity with the authority to receive and review requests for certification, including any documents related to the request. The office reviews each request and makes a determination on a case-by-case basis. Requesting a certification from the Department does not guarantee that the applicant will receive it. A completed U visa certification does not assign legal immigration status. The Department does not have authority to assign or give any immigration status.

USCIS considers certifications as primary, though not exclusive, evidence that an individual: 1) was a victim of a qualifying crime; 2) has knowledge of that crime; and 3) was, is, or is likely to be helpful in the law enforcement investigation or prosecution of the qualifying crime.

A certification is one of several eligibility requirements for a victim who is petitioning USCIS for U status. Therefore, a victim has to provide USCIS more information and provide more evidence than what the Department would need to review the certification request. For example, a victim pursuing U nonimmigrant status (U visa) will have to demonstrate to USCIS that he/she experienced substantial harm physical or mental abuse because of the qualifying criminal activity. When reviewing certifications, the Department does not require evidence of substantial harm, nor does it assess whether substantial harm occurred.

The Department's review of certifications focuses on completing the six parts of the certification (Victim Information, Agency Information, Criminal Acts, Helpfulness of the Victim, Family Members Culpable in Criminal Activity, and Certification). To determine whether the Department can complete all six parts of the form, the U Visa Certification Office must review Department records and the written request. The office may review any supplemental documentation provided by the applicant. Supplemental documents may include medical records or copies of Department records, but are not required.

PROCEDURE NUMBER:	DATE EFFECTIVE:	LAST REVISION:	PAGE:
207-37	03/16/22	I.O. 28	6 of 7

**ADDITIONAL
DATA**
(continued)

CRITERIA FOR REVIEWING CERTIFICATION REQUESTS:

Identity of the Victim (Victim Information)

Direct or Indirect Victim: Direct victim is the individual who was the target of the criminal activity. Under federal law, certain indirect victims may apply for U nonimmigrant status (U visa), and therefore must request a U certification. Indirect victims typically are in the following categories:

- a. In the case of murder, manslaughter, incompetent or incapacitated victims (which include children under 21 years of age), indirect victims include spouses and children under 21 years of age at the time of filing
- b. If the victim of the criminal activity is under 21 years of age at the time the qualifying criminal activity occurred, indirect victims include parents and unmarried siblings under 18 years of age at the time of the qualifying criminal activity.

Possess Information: Under federal law, the victim must possess information about the criminal activity. If the victim was under 16 years of age or incompetent or incapacitated at the time the qualifying crime occurred, a parent, guardian, or “next friend” may possess the information and provide the required assistance (help) on behalf of the victim. Federal law defines “next friend” as a person who acts in the best interests of a foreign national who is under sixteen or incompetent or incapacitated. The “next friend” may appear in court on behalf of the victim, but cannot be either a party to a legal proceeding involving the victim nor a court appointed guardian. A “next friend” also does not qualify for U nonimmigrant status (U visa) or any immigration benefit simply by acting as a “next friend” for the victim.

Qualifying Criminal Activity (Criminal Acts): The criminal activity must be one of, or similar to, the listed activities on the certification form that was investigated by the Department. The criminal activity does not have to be the crime that was ultimately charged. For example, if a victim was trafficked and raped but ultimately the rape alone was charged, the Department’s Certification Office could select trafficking and rape as the qualifying criminal activities. In the case of robbery, since the crime is not listed as a qualifying criminal activity, the Certification Office would consider whether the facts and circumstances of the robbery are similar to any of the listed criminal activities such as felonious assault. If the facts and circumstances are not similar to any of the listed criminal activities, then do not select any of the listed qualifying crimes. The revised form no longer has an “Other” box for certifying agencies to select when the crime is not one of the listed criminal activities.

The Department has the discretion to provide certifications regardless of whether the perpetrator of the crime is no longer in the jurisdiction or prosecution is unlikely, provided the victim meets all criteria for the certification. For example, a victim of a felonious assault who is attacked from behind and cannot identify the perpetrator could be eligible for a certification as long as the other criteria are met.

Helpfulness: Under federal law, once the victim begins to be helpful there is an ongoing responsibility to continue to be helpful when the Department asks and may not unreasonably refuse to be helpful. While there may be specific factual circumstances
