CAUSE FOR SUSPENSION OR MODIFIED ASSIGNMENT			
DATE ISSUED: 08/04/20	DATE EFFECTIVE: 08/04/20	REVISION NUMBER:	PAGE: 1 of 4

PURPOSE

To describe those actions for which uniformed or civilian members of the service may be suspended or, for which uniformed members of the service may be placed on modified assignment.

NOTE

Civilian members of the service may NOT be placed on modified assignment.

1. The Police Commissioner, a deputy commissioner, a hearing officer assigned to the Office of Deputy Commissioner - Trials, the Chief Surgeon, Deputy Chief Surgeon, a civilian director, or a uniformed member of the service in the rank of captain or higher may suspend a member of the service (uniformed or civilian) or place a uniformed member of the service on modified assignment when, in their opinion, such action is necessary.
2. A ranking officer (uniformed member of the service in rank of sergeant or above) in-charge or in-command **MUST SUSPEND** a member of the service when the member:
 - a. Refuses to perform assigned duties at roll call or during tour of duty,
 - b. Refuses an order of a ranking member to answer question specifically directed and narrowly related to the performance of official duties, after being informed of member's rights as specified in *P.G. 206-13, "Interrogation of Members of the Service,"*

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:
206-07	08/04/20		2 of 4

NOTE

When determining whether an out of state interaction is an arrest for the purposes of this procedure, the presumptive factor is whether the member of the service was fingerprinted.

Traffic Managers and above, and School Safety Deputy Directors and above, are authorized to suspend civilian personnel under their commands for violations listed in step "2" (The principal of the school where the school safety agent is assigned will be notified of the suspension). Suspension by a ranking officer (other than a captain and above), Traffic Manager and above, or School Safety Deputy Director and above, is by authority of the First Deputy Commissioner. Prior conferral or approval of the First Deputy Commissioner is NOT required.

3. A captain or above may place a uniformed member of the service on modified assignment or suspension when a member:
 - a. Is indicted by a grand jury,
 - b. Is charged with an offense,
 - c. Is served with **CHARGES AND SPECIFICATIONS (PD468-121)**, alleging serious misconduct,
 - d. Is unfit for duty due to the effects of an intoxicant or drug, or after effects thereof,
 - e. Patronizes an unlicensed premises (neighborhood tavern or restaurant with an expired/suspended license) where the only apparent illegal activity is the sale of alcoholic beverages, except in the performance of duty, or
 - f. Has participated in an act of serious misconduct, and the ranking officer in-charge of investigation determines that disciplinary action will be taken, or is being contemplated.

ADDITIONAL DATA

Uniformed members of the service who are suspended or modified due to being unfit for duty as the result of a drug that is legally prescribed will be subject to an immediate post suspension/modification evaluation conducted by the Medical Division.

A member of the service (uniformed or civilian) presently on suspension, or a uniformed member of the service on modified assignment pursuant to either steps "2" or "3" above, MUST be re-suspended or suspended, as applicable, for any subsequent violation of the subject steps.

The Department will commence an investigation immediately upon becoming aware of misconduct, or an allegation of misconduct, that includes a serious physical injury, or allegation of a serious physical injury, caused by a member of the service. The Internal Affairs Bureau will evaluate each allegation and assign the investigation to the appropriate investigative authority, or ranking officer in the rank of captain or above. Members of the service may be suspended during the course of a Departmental investigation prior to a hearing and final determination of the charges. A captain or above may suspend a member of the service, or place a uniformed member of the service on modified assignment, when they deem it necessary given the nature of the misconduct alleged, and because disciplinary action is being taken or contemplated. The captain or above in-charge will make an initial determination as to the member of the service's duty status upon completion of the preliminary investigation, typically within 24 hours,

ADDITIONAL DATA (continued)

but no more than 48 hours, of the Department becoming aware of the incident. Given the complexity of some investigations, a duty status determination may be deferred until such time as sufficient evidence is gathered supporting the conclusion to suspend or modify the member concerned.

In all cases in which the investigating commanding officer/duty captain is contemplating changing the duty status of a member of the service (i.e., suspension, modification or restricted duty pending evaluation of duty status), they should confer with the Internal Affairs Bureau Command Center to ascertain any relevant information pertaining to the member(s) of the service, PRIOR to making this decision. This conferral is to obtain background information that may assist in the investigation. All decisions regarding the investigation, as well as any resulting determination regarding the member's duty status, remain the responsibility of the commanding officer/duty captain concerned.

In appropriate cases, a captain or above may assign a uniformed member of the service to administrative duties in the next higher command without placing the member on suspension or modified assignment, when there is no disciplinary action contemplated and facts or circumstances indicate such assignment would be in the best interests of the Department.

*The borough commander/counterpart will review the assignment within three days and determine further appropriate action. A report of this review and results, including the anticipated date member will be returned to command, will be prepared on **Typed Letterhead** and forwarded to the First Deputy Commissioner.*

In all cases where the decision to suspend a member of the service (uniformed or civilian) or to place a uniformed member of the service on modified assignment is based on the discretion of the captain or above (steps "1" and "3" of this procedure), they will, prior to making that decision, confer with the borough commander/counterpart or executive officer.

The Office of Deputy Commissioner - Legal Matters will be available for questions related to law and the Department Advocate's Office will be available for advice on procedures for suspension or modified assignment. However, the decision to suspend or place a uniformed member of the service on modified assignment will rest with the field commander.

*A ranking officer who reasonably believes that a uniformed member of the service is unfit for duty due to effects of an alcoholic intoxicant will notify the precinct commander/duty captain who will respond, conduct an investigation, and based upon common sense standards determine if the member is fit for duty. If found unfit, whether on or off duty, the captain making such determination will suspend the member or place them on modified assignment; apprise the member concerned of the availability of the Counseling Service Programs, and, if the member desires to participate, contact the Counseling Services Unit DIRECT, during normal business hours, or during other than business hours, request conferral by contacting the Sick Desk Supervisor. The precinct commander/duty captain will also prepare eight copies of report on **Typed Letterhead** detailing observations and circumstances leading to determination of unfitness and action taken. Forward each, with copies of all **SUPERVISOR'S FITNESS FOR DUTY REPORTS (PD469-150)**, (DIRECT) to First Deputy Commissioner, Deputy Commissioner, Internal Affairs, Deputy Commissioner, Trials, Chief of Department, Chief of Personnel, Department Advocate's Office, and member's commanding officer. 1 of 3

PURPOSE

To remove firearms from a uniformed member of the service at the direction of a ranking officer or other competent authority.

NOTE

This procedure does not pertain to members whose firearms removal is based on non-disciplinary factors, or who voluntarily surrender firearms solely for safekeeping while experiencing a current personal problem off-duty, (e.g. potential domestic violence accusations). *Any notifications made prior to voiding complaint will be amended after the **COMPLAINT REPORT** is voided.*

ADDITIONAL DATA *There is a distinction between voided complaints and unfounded complaints. A voided complaint is one in which the **COMPLAINT REPORT** should not have been prepared. An unfounded case is one in which the report should have been prepared but subsequent information leads to the determination that the case should be classified as unfounded (e.g., a voided case is one in which a **JUVENILE REPORT SYSTEM WORKSHEET (PD377-159A)** rather than a **COMPLAINT REPORT** should have been prepared; an unfounded case is one in which a vehicle is reported stolen by a complainant and later a tow company informs the precinct that the vehicle was legally towed).*

1 of 2

PURPOSE

To refer certain complaints occurring in another command.

SCOPE

Complaint data entered into the OMNIFORM System will automatically be made available to a transit district covered by that precinct. Conversely, complaint data entered into the OMNIFORM System from a transit district will be available to a precinct covered by that district. This will NOT occur if the precinct and transit district boundaries do not overlap. Therefore, when a member of the service in a precinct takes a complaint pertaining to an incident that occurred within a transit district covering that precinct, the complaint will be entered into the OMNIFORM System by that precinct's personnel and will be finalized by the transit district desk officer. Similarly, when a member of the service in a transit district takes a complaint pertaining to an incident that occurred within a precinct covering that district, the complaint will be entered into the OMNIFORM System by that district's personnel and will be finalized by the precinct desk officer. Transit desk officers will be responsible for finalizing ALL complaints under their jurisdiction (i.e., code 01). In any event, the procedure below MUST be followed for ALL complaints occurring in another command even where the automated transfer of data takes place in order to allow the precinct/district concerned to review **COMPLAINT REPORT WORKSHEET (PD313-152A)** prior to finalization.

PROCEDURE

*If **COMPLAINT REPORT WORKSHEET** is faxed (not telephoned) to precinct/transit district of record, the precinct/district of record will retain and file the faxed copy, i.e., the fax is NOT to be discarded.*

This includes not only Orders of Protection involving persons defined under the family/household – expanded definition, but also all individuals who are either the defendant or petitioner of an Order of Protection from any New York City based court. This database is designed to verify that an Order of Protection was issued and to provide a copy of the actual order directly at the command level. This application will also provide access to expired Orders of Protection. Questions or assistance should be directed to the Identification Section's Order of Protection Unit or the Information Technology Bureau (ITB) Service Desk.

If during the course of a preliminary investigation the identity of a person, present or not, is disclosed and there is insufficient evidence to make an arrest, a warrant check will be conducted as per P.G. 208-22, "Performing Local, State and Federal Warrant Checks" prior to closing the case.

FOLLOW-UP INVESTIGATIONS OF COMPLAINTS ALREADY RECORDED			
DATE ISSUED: 03/18/19	DATE EFFECTIVE: 03/18/19	REVISION NUMBER:	PAGE: 1 of 4

PURPOSE

To report additional information concerning a previously recorded complaint.

PROCEDURE

Upon receiving additional information concerning a reported complaint after the **COMPLAINT REPORT (PD313-152)** has been **FINALIZED** in the OMNIFORM System:

MEMBER OF THE SERVICE

1. Prepare **Omniform Complaint Revision ONLY** when additional information falls into any of the following categories:
 - a. Crime classification change, e.g., assault to homicide.
 - b. Information which will amend the previously recorded P.D. code (crime sub-classification), e.g., time of day for a burglary.
 - c. Case clearance, i.e., initial arrest only, exceptional clearances, unfounded.
 - d. Voiding a complaint after finalization in the OMNIFORM System.
 - e. Recovered property not previously reported.
 - f. Additional stolen property not previously reported.
 - g. Serial numbers obtained for property previously reported.
 - h. Dead human is identified and property has been invoiced to the Property Clerk or Public Administrator.

NOTE

*There is a distinction between voided complaints and unfounded complaints. A voided complaint is one in which the **COMPLAINT REPORT** should not have been prepared. An unfounded case is one in which the report should have been prepared but subsequent information leads to the determination that the case should be classified as unfounded (e.g., a voided case is one in which a **JUVENILE REPORT SYSTEM WORKSHEET (PD377-159A)** rather than a **COMPLAINT REPORT** should have been prepared; an unfounded case is one in which a vehicle is reported stolen by a complainant and later a tow company informs the precinct that the vehicle was legally towed).*

*As with **COMPLAINT REPORTS**, proper recording of property values on an **Omniform Complaint Revision** is essential for accurate entry into the FBI Uniform Crime Reporting (UCR) System. Values must be properly consolidated in the "Value Stolen" and "Value Recovered" columns of the Property Summary Section. In addition, the person preparing the report must examine previous reports related to the complaint (i.e., **COMPLAINT REPORT**, previously prepared **Omniform Complaint Revisions** to ensure that property values are not being reported more than once. Only additional information with respect to property values are to be recorded.*

Arrests or other information concerning a complaint received BEFORE the original COMPLAINT REPORT is finalized will be entered on the original COMPLAINT REPORT.

Subsequent or ongoing reporting is encouraged to insure the information is timely and complete and may be made by referencing the Confidential Identification Number.

ADDITIONAL DATA

A member of the service having or receiving information relative to corruption or other misconduct, or an allegation of corruption or other misconduct, has the responsibility to report such information directly to the Internal Affairs Bureau, Command Center. Additionally, a notification to the Internal Affairs Bureau will satisfy the member's affirmative duty to report corruption or misconduct to the New York State Attorney General's Law Enforcement Misconduct Investigative Office, as required by New York State law. A notification to the Internal Affairs Bureau satisfies a member's responsibility to report, thereby eliminating a direct notification to the Law Enforcement Misconduct Investigative Office.

Failure to report corruption, other misconduct, or allegations of such act is, in itself, an offense of serious misconduct and will be charged as such when uncovered during an investigation. Conduct designed to cover up acts of corruption, prevent or discourage its report, or intimidate those who would report it, will be charged as an obstruction of justice or other criminal act with the consent of the prosecutor who has criminal jurisdiction.

A member of the service receiving an allegation of corruption against oneself will request a supervising officer to respond to the scene. The supervising officer will interview the complainant and confer with the Internal Affairs Bureau, Command Center, BEFORE interviewing the member concerning the allegation.

OPERATIONAL CONSIDERATIONS

THERE ARE NO MINIMUM TIME LIMITS THAT MUST BE OBSERVED BEFORE ACCEPTING A REPORT OF A MISSING PERSON.

Missing person complaints WILL BE ACCEPTED for persons missing from temporary residences within New York City (hotels, rooming houses, etc.). However, complainants will also be instructed to report such cases to the local police agency covering the permanent residence of the missing person. UNDER NO CIRCUMSTANCES WILL COMPLAINANTS BE REFERRED DIRECTLY TO THE MISSING PERSONS SQUAD.

Missing persons ordinarily DO NOT INCLUDE the following:

- a. Persons wanted for crimes; or*
- b. Persons wanted on warrants; or*
- c. Persons eighteen years of age or older who have left home voluntarily because of domestic, financial or similar reasons.*

These exclusions are intended for persons who are likely to have fled VOLUNTARILY as a direct result of their status (e.g., a person wanted for a crime fleeing to avoid prosecution). However, the exclusions listed above shall not be used as a justification for failing to accept a missing persons report when the totality of the circumstances indicate that a person may in fact be missing.

In the event that a special category missing person is not found prior to the change of tour, the outgoing desk officers of both the precinct/PSA/transit district of occurrence and precinct/PSA of residence MUST confer with the incoming desk officer regarding the facts and details surrounding the case. The incoming desk officer will reference the Command Post Log to ensure the missing person's pedigree and important details pertaining to the case are disseminated during roll call for the outgoing platoon. The patrol boroughs of both the locations of occurrence and residence will inform the incoming duty captains of the status of all special category missing person investigations. The incoming precinct/PSA commanding officers, executive officers and/or duty captains concerned, in coordination with the assigned detective, will direct additional searches as necessary and will determine their scopes and durations. Complaints of missing New York City residents shall be recorded at the missing person's resident precinct and the commanding officer of the precinct/PSA of residence is ultimately responsible for directing the overall effort to locate the missing person.

Maintain, in front of Command Post Log, a listing of “special category” missing persons captioned as follows:

<u>NAME OF MISSING PERSON</u>	<u>SAFE RETURN INFORMATION</u>	<u>AGE</u>	<u>DATE OF REPORT</u>	<u>PAGE NUMBER</u>
-----------------------------------	------------------------------------	------------	---------------------------	------------------------

SIXTY YEARS OF AGE AND OLDER – The Missing Persons Squad will make a daily telephone notification to the New York City Department for the Aging (DFTA) of persons sixty years of age and older who were reported missing for any reason during the previous calendar day. Hours of operation for the DFTA are 0900 to 1700 hours, Monday thru Friday, and the Missing Persons Squad will notify DFTA the next business day for missing persons reported on weekends or holidays.

The telephone notification shall include the name, address and contact numbers of a family member and/or caretaker of the missing person. A brief synopsis of the details along with the missing person’s medical situation shall also be included in the telephone notification to DFTA.

NON-RESIDENTS - A report of person missing from a residence OUTSIDE New York City WILL NOT BE ACCEPTED. The complainant will be directed to report the case to the local police agency covering the residence of the missing person. The local police may request this Department to assist in the investigation. Assigned NYPD personnel will ascertain if any known locations of the missing person within New York City require a search given the facts of the initial investigation.

VICTIM OF A CRIME - When a person reported missing or unidentified is found to be the victim of a crime, the investigating member will notify the desk officer, precinct/PSA of residence and precinct/PSA/transit district of occurrence (if different) and the Missing Persons Squad. The member will also prepare an **Omniform Complaint Revision** to close the missing person case. The member will then prepare another **COMPLAINT REPORT** and have a new complaint number assigned to the new case.

The Missing Persons Squad is required to make a report through NYSPIN to the Central Registry as soon as possible upon receiving a notification of a missing child under eighteen years of age.

ACTIVATING LEVEL 1 MOBILIZATION

The patrol supervisor will not activate a Level 1 mobilization for a missing person without first consulting the commanding officer/duty captain. If additional personnel are deemed necessary by the patrol supervisor, they may, without prior consultation, deploy personnel from their command (e.g., administrative personnel, specialized personnel, etc.) to assist in the missing person investigation. If there are exigent circumstances and an immediate need for additional personnel for a missing person investigation (e.g., possible kidnapping-in-progress, etc.), the patrol supervisor may activate a Level 1 mobilization without prior approval, and consult with the commanding officer/duty captain as soon as possible.

Cases involving incidents of domestic violence will continue to be the responsibility of the domestic violence prevention officer/investigator, who will be notified directly.

Whenever possible, Adult Protective Services and Department for the Aging caseworkers requiring police assistance in any given situation will contact the liaison at the precinct concerned to make advance arrangements for such assistance. When advance arrangement is not possible, caseworkers concerned will contact the desk officer, precinct concerned, to request such assistance. When the situation constitutes an emergency, caseworkers will contact 911 and request response.

Adult Protective Services and the Department for the Aging are valuable resources whose services may be utilized by members of the service (uniformed and civilian) to secure additional assistance when dealing with cases involving long-term investigation or those requiring access to financial or other records. The assigned investigator should attempt to obtain assistance from the Adult Protective Services or Department for the Aging caseworker through the precinct special operations lieutenant.

intervene to prevent evictions, assist clients in obtaining public assistance, and assist in arranging for heat, electric and cleaning services for clients in need of these services when no other family member is willing and/or able to do so on the client's behalf. ADDITIONAL DATA

All members of the service are reminded that a clear distinction exists between the “Jurisdiction” code and the “Reporting Agency” code listed on a **COMPLAINT REPORT WORKSHEET/Omniform Complaint Revision**.

The “Jurisdiction” code refers to the bureau, division or agency having the primary patrol responsibility over the location of occurrence. The Transit Bureau (Jurisdiction code “01”) has primary responsibility to patrol the New York City subway, subway stations and elevated train lines and the Transit Bureau District offices only. Accordingly, complaints not under the jurisdiction of the NYPD Transit Bureau shall **NOT** be classified as “01” (Transit Bureau).

Some stairways, street stairways, passageways and ramps are the property of other transportation facilities such as the LIRR (code “06”), PATH (code “03”), AMTRAK (code “07”), or Metro-North (code “15”). Complaints alleged to have occurred at these locations are considered off the NYC Transit System and the appropriate jurisdiction code **MUST** be entered by the member of the service preparing a **COMPLAINT REPORT WORKSHEET/Omniform Complaint Revision**.

The Pattern Identification Module (PIM) Transit Bureau Liaison assigned to each Patrol Services Bureau Borough command will thoroughly review all complaints, regardless of jurisdictional code, to ensure that all transit-related crimes have been reported to the appropriate transit district of record.

The “Reporting Agency” code refers to the specific assignment of the member of the service who is preparing the **COMPLAINT REPORT WORKSHEET/Omniform Complaint Revision** or who effected the recorded arrest, as follows:

Code “00” NYPD MOS (not assigned to Transit Bureau or Housing Bureau)

Code “01” NYPD Transit Bureau MOS

Code “02” NYPD Housing Bureau MOS

Codes “03 through 15” Other Agency Officers

COMPLAINTS INVOLVING IDENTITY THEFT			
DATE ISSUED: 12/31/15	DATE EFFECTIVE: 12/31/15	REVISION NUMBER:	PAGE: 1 of 3

PURPOSE

To outline the duties and responsibilities of a member of the service when made aware of a complaint involving Identity Theft.

DEFINITION

A person is guilty of Identity Theft when he or she knowingly and with intent to defraud assumes the identity of another person by presenting himself or herself as that other person, or by acting as that other person or by using personal identifying information of that other person and thereby: obtains goods, money, property or services or uses credit in the name of such other person or causes financial loss to such person or to another person (NYS Penal Law 190.77-190.80).

SCOPE

Complaints involving Identity Theft can be complex in nature stemming from a myriad of variables and permutations. The member of the service encountering such a complaint must realize the possibility that such a complaint can potentially encompass numerous crimes. As a result, the **Crime Complaint Reporting System Reference Guide (Rev. 6/11)** will be used to classify Identity Theft related crimes. Significant clarifications and changes have been made to the **Crime Complaint Reporting System Reference Guide** to instruct the member of the service in the proper classification of Identity Theft related crimes. It must be noted that the "Seven Major Felony Rule" *P.G. 207-01, "Complaint Reporting System"* will still be applicable.

PROCEDURE

When a member of the service is made aware of a complaint involving Identity Theft:

MEMBER OF THE SERVICE

1. Determine whether the complainant is a victim of Identity Theft.
2. Ascertain where the complainant/victim resides (i.e. inside or outside NYC).
3. Instruct and assist the complainant/victim in preparing pages 1 and 2 of the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT (PD313-1516)** if the complaint meets the criteria outlined in the **Crime Complaint Reporting System Reference Guide**.
 - a. Ensure complainant signs **BOTH** waivers on pages 1 and 2.
 - b. If necessary, assist complainant in contacting credit card issuer for required information (e.g. address where card was sent etc.)

NOTE

*A refusal by the complainant/victim to prepare or sign the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** form does not preclude the requirement to prepare a **COMPLAINT REPORT**. Any refusal by the complainant to prepare or sign a **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** form will be noted in the details section of the **COMPLAINT REPORT**.*

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:
207-34	12/31/15		2 of 3

MEMBER OF THE SERVICE (continued)

4. Prepare **COMPLAINT REPORT (PD313-152)**.
 - a. Utilize the **Crime Complaint Reporting System Reference Guide** as well as the charts on the cover sheet of the **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** to classify **COMPLAINT REPORT**.
5. Forward completed **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** to Desk Officer for review.

DESK OFFICER

6. Review **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** for accuracy and completeness.
7. Ensure **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** is attached to precinct file copy of **COMPLAINT REPORT**.
 - a. Ensure that copies of the **COMPLAINT REPORT** and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** are forwarded to the precinct detective squad.
8. Refer complainant/victim to the precinct detective squad for further investigation and preparation of **IDENTITY THEFT PRELIMINARY INVESTIGATION REPORT (PD313-0847)**, if detective squad member is available.
9. Ensure notification is made to the Financial Crimes Task Force for complaints involving Identity Theft related larcenies and loss is valued at \$5,000 or more.
 - a. Ensure time, date, and name of member notified are included in the "Details" section of the **COMPLAINT REPORT**.

DETECTIVE SQUAD MEMBER

10. Interview complainant and prepare **IDENTITY THEFT PRELIMINARY INVESTIGATION REPORT**.
11. Review **COMPLAINT REPORTS** daily for Identity Theft cases and conduct follow-up investigations on all cases not previously referred for investigation.

ADDITIONAL DATA

*If a **COMPLAINT REPORT** was initially taken for lost/stolen property or related offenses (Robbery, Burglary, etc.) and the complainant/victim subsequently becomes a victim of Identity Theft resulting from the initial complaint, the member of the service will prepare an **Omniform Complaint Revision** or **COMPLAINT FOLLOW-UP INFORMATIONAL (PD313-081A)**, as appropriate, and instruct and assist the complainant/victim in preparing pages 1 and 2 of **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT**. The above will be adhered to only after a thorough investigation reveals a nexus between the initial **COMPLAINT REPORT** and the complainant consequently becoming a victim of Identity Theft. If this criteria is not met, then a new **COMPLAINT REPORT** will be generated for the appropriate crime. If the reporting command is not the command of incident, the Desk Officer will ensure the **Omniform Complaint Revision** or **COMPLAINT FOLLOW-UP INFORMATIONAL**, and **COMPLAINANT'S REPORT OF LOST OR STOLEN PROPERTY/IDENTITY THEFT** are forwarded to the originating command of incident.*

SILVER ALERT SYSTEM			
DATE ISSUED: 02/15/17	DATE EFFECTIVE: 02/15/17	REVISION NUMBER:	PAGE: 1 of 4

PURPOSE

To provide information to the public in the event a person who is:

- a. Sixty-five years of age or older, and
- b. Meets the additional qualifying criteria of a “vulnerable senior,” (i.e. a person sixty-five years of age or older with dementia, as a result of Alzheimer’s disease or a similar condition) and,
- c. Is reported missing under circumstances indicating he/she is in imminent danger of serious bodily harm or death.

DEFINITIONS

SILVER ALERT - A communication to the public of identifying information concerning a “vulnerable senior” who is reported missing to the Department or other law enforcement agency under circumstances indicating that the person is in imminent danger of serious bodily harm or death. The determination to activate a Silver Alert shall be made by a captain or above assigned to the Detective Bureau.

VULNERABLE SENIOR - A person sixty-five years of age or older with dementia, as a result of Alzheimer’s disease or a similar condition.

PROCEDURE

When responding to a report of a missing person and information received indicates that the case may qualify for a Silver Alert:

UNIFORMED MEMBER OF THE SERVICE

1. Comply with *P.G. 207-23, “Missing Persons”* and request the response of the patrol supervisor.
2. Notify desk officer of details.

NOTE

The patrol supervisor will implement missing person/special category procedure as necessary, consistent with all available information.

DESK OFFICER

3. Comply with the duties described in *P.G. 207-23, “Missing Persons”* and ascertain if incident may fit criteria for activation of a Silver Alert.
4. Request Precinct Detective Squad supervisor and commanding officer/duty captain to respond to the scene.

PRECINCT DETECTIVE SQUAD INVESTIGATOR /SUPERVISOR

5. Conduct a preliminary investigation and ascertain if missing person fits the definition of a “vulnerable senior” and is missing under circumstances indicating that he/she is in imminent danger of serious bodily harm or death.
 - a. Notify Detective Zone Commanding Officer/Detective Bureau Duty Captain, if missing person meets the criteria for the activation of a Silver Alert.
 - b. Request Detective Zone Commanding Officer/Detective Bureau Duty Captain respond to the scene.

PATROL GUIDE

PROCEDURE NUMBER:	DATE EFFECTIVE:	REVISION NUMBER:	PAGE:
207-35	02/15/17		2 of 4

NOTE

Only a captain or above from the Detective Bureau may activate a Silver Alert. A Silver Alert will NOT be activated unless the “vulnerable senior” is missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death. A person’s status as a vulnerable senior alone is normally insufficient to justify a Silver Alert without additional factors that constitute imminent danger (e.g., severe weather, need for immediate medical attention, history of violent or reckless behavior, etc.).

The Detective Zone Commanding Officer/Detective Bureau Duty Captain may activate a Silver Alert for a person under the age of sixty-five who is reported missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death and where such missing person has dementia as a result of Alzheimer’s disease, or similar condition, if he/she reasonably believes a Silver Alert will be beneficial in locating the missing person.

DETECTIVE ZONE COMMANDING OFFICER/ DETECTIVE BUREAU DUTY CAPTAIN

6. Confer with Precinct Detective Squad investigator/supervisor, patrol supervisor, commanding officer/duty captain, and other personnel on scene regarding the circumstances of the incident and determine if missing person is a “vulnerable senior” and missing under circumstances indicating that the person is in imminent danger of serious bodily harm or death.
7. Notify Operations Unit and request the activation of a Silver Alert, if appropriate and provide the following information:
 - a. Name, age, and detailed physical description (including clothing worn) of the missing person
 - b. Location and time last seen
 - c. Description of motor vehicle, if applicable
 - d. Any type of prescribed medication missing requires, if applicable
 - e. Probable destination of the missing, if known
 - f. Probable method of transportation and route used, if known
 - g. The action the public should take if they have information regarding the missing person (e.g., call 911, etc.).
8. Direct Precinct Detective Squad member to:
 - a. Notify Missing Persons Squad
 - b. Prepare and submit a “Request for Media Attention” form to the Deputy Commissioner, Public Information along with a recent photograph, if available.

NOTE

There are no minimum time limits that must be observed before requesting the activation of a Silver Alert; however, local law requires a Silver Alert be issued within twenty-four hours of the determination that a “vulnerable senior” has been reported missing under circumstances indicating that he/she is in imminent danger of serious bodily harm or death. In most cases, barring exceptional circumstances, the most prudent approach would be to activate a Silver Alert AFTER patrol/field resources have been exhausted and the preliminary search and investigation have yielded negative results. The decision to activate a Silver Alert rests solely with the Detective Zone Commanding Officer/Detective Bureau Duty Captain.

12. Notify Traffic Management Center and request a message regarding the Silver Alert be transmitted via Variable Message Signs if a vehicle description and plate number are available regarding the Silver Alert.
13. Prepare and forward Alert Data based on information received from Detective Zone Commanding Officer/Detective Bureau Duty Captain to Office of Emergency Management (OEM) Watch Command.
 - a. OEM Watch Command will draft a Public Alert and transmit the draft Public Alert to the Operations Unit for approval.

The Watch Command will then transmit the Public Alert to the public via Short Messaging System (SMS), email, and recorded phone message.

WHEN A MISSING PERSON WHO IS THE SUBJECT OF A SILVER ALERT IS LOCATED:

OPERATIONAL GUIDELINES FOR PROCESSING COMPLAINTS/ARRESTS FOR GRAFFITI			
DATE ISSUED: 01/01/20	DATE EFFECTIVE: 01/01/20	REVISION NUMBER:	PAGE: 1 of 3

PURPOSE

To establish guidelines for processing complaints and arrests for graffiti and possession of graffiti instruments.

DEFINITIONS

SCOPE

In order to maximize the Department's enforcement efforts in combating graffiti crimes, it is essential that all graffiti related information is properly recorded and documented. It is essential to notify the Transit Bureau, Citywide Vandals Task Force immediately, whenever an arrest is effected for making graffiti, possession of graffiti instruments and/or shoplifting that involves the theft of spray paint or paint markers. Additionally, whenever a complaint or arrest report is prepared for a graffiti related incident, it is imperative that the graffiti "tag" information is entered in the "Details" caption and the "Nickname/Alias/Maiden Name" caption of the **COMPLAINT REPORT WORKSHEET (PD313-152A)** and/or **ON LINE BOOKING SYSTEM ARREST WORKSHEET (PD244-159)**. This information is crucial for the monitoring and tracking graffiti recidivists.

When an investigation during arrest processing reveals that a graffiti offender has prior arrests/convictions, or is a recidivist for any graffiti-related offense, ensure the District Attorney is apprised of the subject’s prior record.

ADDITIONAL DATA

OPERATIONAL CONSIDERATIONS:

In order to further enhance prosecution, apprehension and identification of graffiti vandals, all uniformed members of the service must confer with Citywide Vandals Task Force prior to conducting any graffiti investigations, to avoid compromising any investigations that may already be underway. This may assist the Citywide Vandals Task Force in identifying and apprehending graffiti vandals that are not currently under investigation by the Citywide Vandals Task Force.

Digital photographs may be utilized by commands to demonstrate progress in correcting graffiti conditions at Community Board meetings, etc. (i.e., before and after pictures).

LEGAL CONSIDERATIONS:

Uniformed members of the service are reminded to use the appropriate subdivisions of the New York City Administrative Code 10-117, "Defacement of Property, Possession, Sale and Display of Aerosol Spray Paint Cans, Broad Tipped Markers and Etching Acid Prohibited in Certain Instances" or the New York State Penal Law in Article 145, "Criminal Mischief and Related Offenses" for graffiti-related arrests. In circumstances where a Penal Law charge or NYC Administrative Code charge are both applicable, the uniformed member will charge the appropriate NYS Penal Law offense.

Members of the service responsible for inputting and maintaining data in the "Recidivist Tracking and Reporting Database" must remove the name and any other identifying information of individuals whose underlying case was dismissed and whose record was sealed.
